During Program Year 2009-2010, the Municipality of Canóvanas will continue to work with the Puerto Rico Public Housing Authority to address the need of the public housing residents. The City will participate at the public hearings of the PHA Plan to present the revitalization need of the public housing projects. It should be noted that the Municipality of Canóvanas does not manage public housing units. The Puerto Rico Public Housing Authority and A & M Contractors, Inc. are responsible for this function thus they are responsible for the physical condition of the projects.

Services are provided by different municipal offices. Among the services to be provided to the public housing residents we can describe the following:

- Oficina de Ayuda al Ciudadano: Provide food vouchers; economic assistance for acquisition of medicine; economic assistance to terminally ill patients; economic assistance to cover the cost of utilities; housing rehabilitation assistance; among others.
- Employment Office: Résumé preparation assistance; job placement services; and job interview assistance.
- Health Center: Provide emergency health assistance; vaccine assistance; dental assistance; among other.
- External Resources: Orientation services related to homeownership, homecare assistance and other housing and community development services.

## Housing Agency Designation – Section 8

In Canóvanas both the Municipality and the Puerto Rico Department of Housing provide tenant based rental assistance through the housing choice voucher program. The characteristics of the Section 8 participants in Canóvanas are the following:

- Nearly 69 percent of section 8 families in Canóvanas are occupied by households with average annual household incomes of \$5,000, that is, below 30 percent of the federal poverty level;
- Average monthly total tenant payment is \$89 per month, including utilities;
- Social Security recipients, including both retirement and disability income recipients and persons with wages, make up the largest group served by section 8 program. The group receiving Social Security benefits represents 17 percent of households residing in section 8 while wage-earning households make up 22 percent of the participants.
- Households with children represent the largest group served by tenant based rental assistance with 75 percent (72% are Female Headed Household with Children) of the total number of section 8 families.

Approximately 13% of all households have been residing in Public Housing for more than 10 years.

## IV. BARRIERS TO AFFORDABLE HOUSING

1. Describe the actions that will take place during the next year to remove barriers to affordable housing.

Error! Reference source not found.**Action Plan Barriers to Affordable Housing response:**

The Municipality of Canóvanas will take action to remove the following barrier to affordable housing, as mentioned in the Consolidated Plan:

- Lack of affordable housing
- Lack of developable land.

### Actions to address the lack of affordable housing

The Municipality of Canóvanas will request NSP funding from the Office of the Commissioner of Municipal Affairs. Funds will be used to acquire existing foreclosed units, rehabilitate them and sell the units to eligible families. The State will distribute NSP funds to the areas of greatest need, including those with the greatest percentage of home foreclosures, with the highest percentage of homes financed by sub-prime mortgage loans, and identified by HUD as likely to face a significant rise in the rate of home foreclosures. The following blockgroups were considered eligible under the approved plan:

Municipality	Tract	Blkgrp	Estimated foreclosure abandonment Index BlockGroup	Estimated Foreclosure Abandonment Index Median Value Puerto Rico	Percentage of Subprime Loans in Block Group	Median Value of SubPrime Loans Puerto Rico
Canovanas	100101	1	10	4	30.00%	5.90%
Canovanas	100101	2	10	4	30.00%	5.90%
Canovanas	100102	1	7	4	19.02%	5.90%
Canovanas	100102	2	7	4	19.02%	5.90%
Canovanas	100102	3	7	4	19.02%	5.90%
Canovanas	100102	4	7	4	19.02%	5.90%

### Actions to address the lack of developable land

The Municipality of Canóvanas knows the importance of the use of land, not only for homes, but also for businesses, industry, and public uses, **the local government will address to State Government in order to make alliance in the use of land that belong to the state.** There has been a longstanding recognition that wetlands and flood areas physically limit growth within the Municipality. The Municipality is reaching a major crossroads as the amount of remaining undeveloped land continues to decrease, and older developed areas continue to age. Lack of land for housing could create higher housing prices and rents. On the other hand, it could also cause disinvestment if new areas outside of the Municipality are developed.

### Other Barriers

The Mayor is promoting the transfer of land title for the residents of Villa Hugo I, Villa Hugo II and Valle Hill. During this program year the Mayor will continue its effort with the Puerto Rico Department of Housing to facilitate the transfer of the titles.

## Appendix 2: (Section 10.0 (c)) SEXUAL OFFENDERS AND VAWA

### Policy for Sexual Offenders

The Municipality of Canóvanas has established standards that prohibits admission to the program if any member of the household is subject to a lifetime registration under a State sex offender registration program (24 CFR 982.553 (2)). The Municipality of Canóvanas (RQ075) will screen the family by performing a criminal history backgrounds check, necessary to determine whether any household member is subject to a lifetime sex offender registration requirement in the State where the dwelling unit is located and in other State where the household members are known to have resided. The screening is to be carried-out through the Puerto Rico Police Department, which issues a *Certificate of Penal Records*.

The Municipality of Canóvanas will deny admission if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. Sex offenders, not subject to lifetime registration, will be denied assistance for the entire period they are subject to registration as sex offenders.

### Policy for VAWA

The Violence against Woman Act (VAWA), Public Law 109-162, was signed into law on January 5, 2006. Section 603 of the law amends Section 5A of the U. S. Housing Act (42 U.S.C. 1437c-1) to require PHA's five year and annual PHA plans to contain a Domestic Violence Policy Statement regarding any goals, activities, objectives, policies, or programs of the PHA that are intended to support or assist victims of domestic violence, sexual assault, or stalking. Section 606 and Section 607 amend the Section 8 and public housing sections of the U.S. Housing Act (42 U.S.C. 1437f and 1437d) to protect certain victims of criminal domestic violence, dating violence, sexual assault, or stalking – as well as members of the victim's immediate families – from losing their HUD-assisted housing as a consequence of the abuse of which they were the victim. While awaiting new guidelines from the Department of Housing and Urban Development for implementing VAWA, the Municipality of Canóvanas (RQ075) has adopted the following goal and objectives for Domestic Violence Policy:

- The VAWA applies to the Housing Choice Voucher Program
- The applicant/tenant/victim will be treated with respect and dignity
- The Municipality of Canóvanas will notify the Housing Choice Voucher owners and managers of VAWA
- The Municipality of Canóvanas will notify the voucher holder of their rights under VAWA including the possible portability of vouchers between jurisdictions to escape an imminent threat of further domestic violence or stalking
- VAWA will be incorporated into the landlord and tenant orientation process
- Necessary conforming amendments to Housing Choice Voucher Program rules, regulations and paperwork will be further addressed after receipt of guidelines from the Department of Housing and Urban Development (HUD)
- Nothing in Section 8(o)(7)(D)(i) limits any otherwise available authority of an owner or manager to evict, or the public housing agency to terminate assistance, to a tenant for any violation of a lease, not premise on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate the assistance. (Section 8 (o)(7)(D)(iv) of the U.S. Housing Act of 1937)
- Nothing in Section 8(o)(7)(D)(i) may be construed to limit the authority of an owner or manager to evict, or the public agency to terminate assistance, to any tenant, if the owner, manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance. (Section 8 (o)(7)(D)(v) of the U.S. Housing Act of 1937)
- Nothing in Section 8 (o)(7)(D)(i) shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than Section 8 (o)(7)(D)(i) for victims of domestic violence, dating violence, or stalking. (Section 8 (o)(7)(D)(vi) of the U.S. Housing Act of 1937)

## INTRODUCTION

### i. PURPOSE OF THE PLAN [24 CFR 982.54]

The purpose of this Administrative Plan (also referred to as the Plan) is to establish policies for carrying out the programs in a manner consistent with HUD requirements, and in a manner consistent with local goals and objectives outlined in the agency plan. All pre-merger regular tenancy contracts, Housing Voucher contracts, and over fair market rent tenancy contracts have been transitioned to the Housing Choice Voucher Program as of October 1, 2001.

The Municipality of Canóvanas (hereinafter referred to as the PHA or HA) is responsible for complying with all changes in HUD regulations pertaining to the HUD programs it administers. If such changes conflict with this Plan, **HUD regulations will have precedence**. The PHA Board of Commissioners or other authorized PHA official/s must formally adopt the original Plan, and any changes. The pertinent sections must be included in the agency plan with a copy provided to HUD.

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR 984: Self Sufficiency Program
- 24 CFR 985: Management Assessment Program

Local rules incorporated in this Plan are intended to promote local housing objectives consistent with the intent of federal housing legislation.

### ii. RULES AND REGULATIONS [24 CFR 982.52]

This Plan defines the PHA's local policies for operation of the housing programs in the context of federal laws and regulations. **All Section 8 issues not addressed in this document are governed by: the federal regulations, HUD memos, notices, guidelines, or other applicable law.** The policies in this Plan have been designed to ensure compliance with the consolidated annual contributions contract (ACC) and all HUD approved applications for program funding.

### iii. TRANSLATION OF DOCUMENTS

The primary language of the Housing Agency of Canóvanas is Spanish and the Agency has bilingual staff to assist non-Spanish speaking families and translates documents into other languages upon request. Many standardized HUD documents are available only in English and the HA staff will provide verbal translations as needed.

In determining whether it is feasible to provide translation of documents into other languages, the HA will consider the following factors: Number of applicants and participants in the jurisdiction who do not speak English and speak the other language; and, Availability of bi-lingual staff to provide translation for non-English speaking families.

## **I. SELECTION AND ADMISSION PROCEDURES**

The Housing Authority has developed detailed procedures for the administration of Section 8 Housing Choice Voucher Programs (former Section 8 Existing Certificate Program). These procedures provide the framework for directing, managing, supervising and monitoring program activities. They include local procedures and policies for the treatment of applicants and participants as follow:

### **1. Outreach to Families**

The overall objective of this activity is to assure that program availability is adequately publicized in order to reach eligible families and owners of rental housing units. Affirmative marketing efforts are a key component, since certain groups are difficult to reach by conventional means, in order to ensure that all eligible candidates have an opportunity to participate in the program.

Each time the Section 8 Office enters into Annual Contributions Contract for new units, it makes known to the public- via publication in the Section 8 Bulletin Board and/or other suitable means- the availability and nature of housing assistance for very low-income families. This notice contains the following information:

- When families may apply for the program (Including datelines, when applicable);
- A brief description of the Section 8 Program, including the possibility of families receiving assistance for the units, which they are currently occupying;
- It states that occupants and applicants of public and/or other housing may apply for the Section 8 Housing Programs if they wish to participate;
- Special outreach for handicapped families.

The following steps are undertaken annually to assure a successful outreach program for attracting families (if necessary):

- Identify resources available for performing outreach functions, including staff, community service and housing counseling agencies, churches, employers, unions, etc.;
- Review methods for taking applications in order to ensure that adequate provisions are made for hardship cases, and review desirability of pooling application resources with other HA services, in order to provide information on a wider range of housing opportunities;
- Plan to implement outreach, aimed at the families least likely to apply, in advance of the date on which formal application-taking procedures are given;
- Alternative means of delivering the outreach message are analyzed, including those listed below:

- a.) Newspaper announcements in widely circulated newspapers and/or other suitable means. It will include posting announcements/notifications in the bulletin boards of the Municipality's City Hall and the U.S. Local Postal Office; and when feasible, by the local media;
- b.) The "Word of Mouth" approach by currently assisted and/or applicant families, encouraging them to inform their friends, relatives and neighbors about the program;
- c.) Supportive outreach assistance provide by other organizations.

## **2. Applying for Admission**

The application process will involve two phases. The first is the "initial" application for assistance, where a full application is filled and certified by the family. This first phase results in the family's placement on the waiting list by date and time of the application. The second phase is the "final determination of eligibility". It is when the full application is verified; it takes place when there's availability of vouchers and the list is organized by preferences and the family reaches the top of the waiting list. At this time, the PHA verifies all HUD and PHA eligibility factors in order to determine the family's eligibility for the issuance of a voucher. The PHA must receive information verifying that an applicant is eligible within the period of 60 days before the PHA issues a voucher to the applicant. (§982.201(e))

All persons who wish to apply for any of the Housing Choice Voucher Program's (Section 8) programs must fill an application. Applications will be made accessible upon request from a person with a handicap.

To provide specific reasonable accommodation to persons with handicaps/disabilities, upon request, the information will be mailed to the applicant, mailed to the applicant's contact person, completed by a designee, or any other specified reasonable accommodation.

The application is completed in the applicant's own handwriting, unless the applicant is a handicapped/disabled person who requests assistance or other accommodation. Applicants will be interviewed by the PHA staff to review the information on the full application form.

Verification of handicap/disability as it relates to Section 504, Fair Housing, or ADA reasonable accommodation will be requested at that time, or mailed to the applicant. All applicants are advised that reasonable accommodations are available.

To be eligible for admission, an applicant must be a "family" ("Family" may be a single person or a group of persons – see in this Section and also in Section IV the definition), must be income eligible, must be a citizen or a non-citizen who has eligible immigration status in accordance with 24 CFR parts 5 and 982.201, must meet the additional criteria established below, including provisions on Social Security Numbers. (See section IV: Occupancy policies; below; or, applicable regulation).

Even if applicant is eligible because of family status, citizenship and income, the PHA is not required to assist such applicant for the grounds stated below. (See sections II -"Denial of Assistance", IV, X, XV and XXI; below; or applicable regulation).

#### *Limits on Who May Apply*

When the waiting list is open:

Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete a pre-application.

When the application is submitted to the PHA:

It establishes the family's date and time of application, and preferences for placement order on the waiting list. Also a register number will be assigned.

The PHA will collect the following information necessary for proper selection from the waiting list:

- Applicant name
- Family unit size (number of bedrooms family qualifies for under PHA subsidy standards)
- Date and time of application
- Qualification for any local preference
- Racial or ethnic designation of the head of household
- Gross annual income
- Income classification
- Disabled household
- Other targeted program qualifications and/or commentaries

#### *Insufficient funding (§ 982.454 Termination of HAP contract)*

The PHA will terminate the HAP contract if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

#### *Briefing to Families Willing to Participate in the Program*

The PHA briefs the person who is interested in the housing assistance and as deemed necessary, they must be referred to other Local Programs or pertinent agencies.

Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the following information:

- Applying process
- Requirements to qualify (income limits)

- Preferences
- Verification procedures (terms, requirements)
- Terms and process for leasing
- Applicant responsibilities (inform changes, respond on specified datelines and time frames, etc.)
- They are oriented about the deposit and housing maintenance
- Benefits and facilities that can be gathered through out the municipality and its jurisdictional area
- Any other information deemed necessary

### 3. Waiting List

The PHA's initial determination of eligibility for placement on the waiting list will be made in accordance with the information provided by the applicant, which will not be verified until the applicant is selected for issuance of a voucher (as per 24CFR§ 982.201). That is, verification on eligibility requirements will be verified prior to the family being offered Section 8 (including the status of the preference claimed or by which the family qualifies).

Families who have completed applications (after all required documents have been received, evaluated and accepted by the HA), and are in the application pool are considered according to the preference, date and time of the application.

*Family: (24 CFR: §5.403 and §982.4) a single or a group of persons living together, subject to the provisions and eligibility criteria established under the program [Family Composition §982.201 (c)]. Persons related by blood, marriage, or by operation of law.*

*Single person family for the PHA is: a single person (21 yrs +) with or without a child or children temporary away (placed in foster care), an elderly person, a disabled person, a displaced family and a remaining member of the original assisted family (which qualifies to continue in the program).*

#### Admission Preferences

Except for Special Admissions, participants must be selected from the PHA Waiting List. Eligible applicants are entitled to be placed on the Section 8 Waiting List and receive preference in selection for Vouchers if they meet certain Preferences. The PHA manages and applies preferences as stated on this Administrative Plan:

- Involuntarily Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition).
- Victims of Domestic Violence.
- Working Families and/or those unable to work because of age or disability

For those years where there have been no admission preferences, the applicants must be selected

based on the date and time they applied. This also applies, when admission preferences are employed and there are two or more applicants with equal preferences status.

The PHA will give preference to applicants residing on the Municipality of Canóvanas (§982.207(b)). This residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family; and, will not be based on how long an applicant has resided in the residency preference area. Applicants who are working or who have been notified that they are hired to work in a residency preference area must be treated as residents of the residency preference area. The PHA will treat graduates of, or active participants in, education and training programs in a residency preference area as residents of the residency preference area if the education or training program is designed to prepare individuals for the job market (§982.207(b)(1)(v)).

The PHA applies the Federal Preferences in a manner consistent with the provisions of Section 982, Subpart E (Admission to Tenant-Based Program) and as prescribed in 42 U.S.C. 1437d(c)(4)(A), 1437f(d)(1)(A), 1437f(o)(3), and 1437f note; and the non-discrimination requirements.

Once there is availability for vouchers, the PHA publishes the information and notifies those persons on the waiting list. Those in the waiting list are notified by mail and if available, by making phone calls and other Local media. They are also required to update their information, by completing a new application form.

#### Procedures for Removing Applicant Names from the Waiting List

The applicants are removed from the waiting list when one of the followings happens:

1. there is no answer to the mailing notification (or returned mail),
2. with the evidence submitted, the family does not qualify for the assistance,
3. information have been omitted by the family and/or false information was provided by the family,
4. the family notifies (in writing) that they are not willing to participate on the Program, due to a change in their status; or
5. for the grounds stated in parts II, IV, XIII, XV, XVI and XXI of this Plan, or applicable regulation.

The above also applies when the family is notified the issuance of the voucher.

#### *Removal from Waiting List and Purging [24 CFR 982.204(c)]*

The waiting list will be purged periodically to ensure that it is current and accurate. In order to purge the waiting list, a notice will be mailed asking applicants for confirmation of continued interest.

All notices requiring a response, will state that failure to respond within (15) fifteen days will result in the applicant's name being inactivated on the waiting list.

If the applicant provides information that s/he did not respond to the notice because of a family member's handicap/disability, the PHA will reinstate the applicant at the original date and time of application.

#### Procedures for Closing and Reopening the PHA Waiting List

If there is insufficient funding to admit all eligible applicants to participate in the Section 8 Program, this PHA will suspend at any time, the acceptance or processing of new applications, or the addition of new listings to the waiting list.

When the number of applicants on the waiting list is such that new applicants would have to wait for more than one year for a voucher, the PHA will suspend the taking of applications. This will avoid both unnecessary application processing costs and false hopes to applicant families that assistance would be available to them in the near future. Suspension of application-taking will be publicly announced in the same manner as the public notices for program availability, and once resumed, public notices will be made.

While the waiting list is open, the PHA will accept applications from eligible families, unless there is good cause for not accepting the application, such as denial of assistance because of action or inaction by members of the family for the grounds stated in the Section II, page 18 "Denial or Termination of Assistance" of this Administrative Plan. [24 CFR 982.206(b)(2)].

#### *Closing the Waiting List*

The PHA will stop accepting applications, if the waiting list contains enough applicants to fill anticipated openings for the next 24 months; and with the authorization of the Executive Director, who is the Mayor. The waiting list will not be closed if it has a discriminatory effect inconsistent with applicable civil rights laws.

The waiting list open period shall be long enough to achieve a waiting list adequate to cover projected turnover and new allocations over the next 24 months. The PHA will give at least 30 days' notice prior to closing the list.

#### "Initial" Application Procedures [24 CFR 982.204(b)]

The PHA will use a full application form. The information is to be filled out by the applicant. The application will be taken from an applicant who visits the office. All possible reasonable accommodation will be provided to the handicapped/disabled, upon request.

The purpose of the application is to permit the PHA to preliminarily assess family eligibility or ineligibility, and to determine placement on the waiting list. The application will contain at least the

following information:

- Register number
- Applicant Name
- Family Unit Size (number of bedrooms the family qualifies for under PHA subsidy standards)
- Date and time of application
- Qualification for any local preference
- Racial or ethnic designation of head of household
- Gross annual income
- Income classification
- Handicapped/disabled family members
- Other information, as needed to determine eligibility

Ineligible families will not be placed on the waiting list.

At the initial phase, applications will not require an interview. The information on the application will not be verified until the applicant has been selected for final eligibility determination. Final eligibility will be determined when the full application process is completed and all information is verified.

The PHA must receive information verifying that an applicant is eligible within the period of 60 days before the PHA issues a voucher to the applicant. (§982.201(e))

#### Applicant Status While on Waiting List [CFR 982.204]

Applicants are required to inform the PHA of changes in address. Applicants are also required to respond to requests from the PHA to update information on their application, or to determine their continued interest in assistance.

If, after a review of the application, the family is determined to be eligible, the family will be notified in writing, or will be notified by telephone, or in another manner, upon request, as a reasonable accommodation.

No answer to update the information on the pre-qualification, on reasonable time basis (15 days) will be considered as if the family is not interested to participate in the Program.

## **II. ISSUING OR DENYING VOUCHERS**

Once the family's eligibility has been determined, the family is notified by mail of the determination taken and of the steps to follow.

The PHA will issue a voucher to the family after the family has been briefed on program requirements.

The voucher specifies the unit size for which the family qualifies. This unit size will also be used to determine the amount of assistance the PHA will pay to the owner on behalf of the family. The voucher includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program.

### ***Time of Selection [24 CFR 982.204]***

When funding is available, families will be selected from the waiting list in their determined sequence, regardless of family size, and subject to income targeting requirements. When there is insufficient funding for the family at the top of the list, the PHA will not admit any other applicant until funding is available for the first applicant.

Based on the PHA's turnover and the availability of funding, groups of families will be selected from the waiting list to form a final eligibility "pool". Selection from the eligibility pool will be based on the completion of verification of eligibility.

Ineligible families will be offered an informal review (see section XII on this Plan) on the determination of ineligibility not later than (30) thirty days after the date their application was submitted. During that time frame, the applicants will be notified by writing of their ineligibility and they will have fifteen (15) days after the receiving of the letter to ask in writing an informal review.

### ***Complete Full Application***

After a family is selected from the waiting list, applicants will be required to:

Update the initial application in his or her own handwriting, unless a handicapped/disabled person requests assistance, as reasonable accommodation. The PHA staff will interview the applicant to clarify and review the information on the full application.

The applicant must complete the full application, and provide all requested documentation and information.

### ***Requirement to Attend Interview***

The PHA requests a full application interview to be attended by all adult family members. The purpose of the interview is to discuss the family's circumstances in greater detail, to clarify information that has been provided by the family, and to ensure that the information is true and

complete.

The head of the family must sign all appropriate areas of the housing application. It is the applicant's responsibility to reschedule the interview if s/he misses the appointment. If the applicant does not reschedule or misses two scheduled meetings, the PHA will reject the application. The interview will be held in the office, or at the applicant's home, upon request by a handicapped/disabled family, as a reasonable accommodation.

Applicants who fail to appear and want to reschedule a missed appointment must make the request to reschedule not later than seven (7) days from the original appointment date. The request must be made to the staff person who scheduled the appointment.

Reasonable accommodation, such as accessible offices, inclusion of an advocate, or a home visit, will be provided to a handicapped/disabled family, upon request. The handicapped/disabled family's Designee will be allowed to participate in the interview process at the family's request.

If an application is denied due to a failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal review. (See "Complaints and Appeals" section XII; and Section VI.)

All adult members must sign the HUD Form 9886, Release of Information, the application form, all PHA-required supplemental, the declarations and consents related to citizenship/immigration status, a consent form to release criminal conviction records and to allow PHA to receive and use records in accordance with HUD regulations, as well as, any other documents required by the PHA. Applicants will be required to sign additional release of information forms for information, not covered by the HUD Form 9886.

Failure to complete required forms, or provide requested information, will be cause for denial of the application for failure to provide necessary certifications, releases, and documents, as required by HUD or the PHA.

The PHA will request additional documents or information in writing, if it determines at or after the interview, that they are needed. The family will be given 15 days to supply the information. If the requested information is not supplied by the due date, the PHA will provide the family a notification of denial for assistance. (See "Complaints and Appeals" section XII of this Plan.)

### ***Briefing of Families***

When the family receives a voucher, the following items will be fully explained:

- Family and owner responsibilities under the lease and HAP contracts

### ***Verification***

The PHA’s Section 8 Program will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full-time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

### **REQUIRED CONSENT BY APPLICANTS & PARTICIPANTS**

Each member of the family of an assistance applicant or participant, who is at least 18 years of age, and each family head and spouse, regardless of age, shall sign one or more consent forms. See 24 CFR §5.230.

### **GENERAL RULES**

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or -for citizenship- documentation, such as listed in the table below will be required.) Verification of these items will include photocopies (of provided originals) of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

The first method to use for any information verification must be using third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification will also be direct contact with the source, in person or by telephone. It will also be a report generated by a request from the PHA’s Section 8 Program or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name date of contact, amount received, etc.

When third party verification cannot be obtained, the PHA's Section 8 Program will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the PHA's Section 8 Program has been unable to obtain third party verification in a four-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the PHA's Section 8 Program will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

The PHA will document in the tenant file, the reason why third party verification was not available.

### Social Security

24 CFR §5.216 requires applicants and participants to disclose the complete and accurate social security number (SSN) assigned to the applicant/participant and to each member of the applicant's/participant's household, who is at least six years of age and to provide documentation to verify each SSN.

In the event an applicant or participant or household member, who is at least six years of age, has not been assigned an SSN, the household member (parent or guardian if the member is under the age of 18) must execute a certification that states the household member was not issued a social security number.

### General Items

The chart below outlines the factors that will be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the PHA's Section 8 Program will send a request form to the source along with a release form signed by the applicant/participant via first class mail.

Verification Requirements for Individual Items: <b>General Eligibility Items</b>		
<b>Item to Be Verified</b>	<b>3<sup>rd</sup> party verification</b>	<b>Hard-carried verification</b>

Citizenship	N/A	Signed certification, voter's registration card, birth certificate, etc.
Eligible immigration status	INS SAVE confirmation #	INS card

Verification Requirements for Individual Items: <b>General Eligibility Items</b>		
<b>Item to Be Verified</b>	<b>3<sup>rd</sup> party verification</b>	<b>Hard-carried verification</b>
Disability	Letter from medical professional, SSI, etc.	Proof of SSI or Social Security disability payments
Full time student status (if >18)	Letter from school	For high school students, any document evidencing enrollment
Need for a live-in aide	Letter from doctor or other professional knowledgeable of condition	N/A
Child care costs	Letter from care provider	Bills and receipts

### Income

The requirement for third party verification can be found at 24 CFR §960.259(c)(1) and §982.516(a)(2) and states that “The PHA must obtain and document in the family file third party verification of the following factors, or must document in the file why third party verification was not available:

- (i) Reported family annual income;
- (ii) The value of assets;
- (iii) Expenses related to deductions from annual income; and
- (iv) Other factors that affect the determination of adjusted income or income-based rent.”

Third party verification is defined as independent verification of income and/or expenses by contacting the individual income/expense source(s) supplied by the family. The verification documents must be supplied directly to the independent source by the PHA and returned directly to the PHA from the independent source.

The tenant shall not hand carry documents to or from the independent source. The PHA will elect to mail, fax, or e-mail the verification request form to the independent source.

In the event that the independent source does not respond to the PHA's faxed, mailed, or emailed request for information, the PHA will pursue oral third party verification.

The income verification process established for the PHA's Section 8 Program consists of two major tasks:

1. SIGN CONSENT- Applicants and participants sign a consent form to request the following: current or previous wages and salaries from employers, wage information and unemployment compensation from the State agency charged with the administration of the State unemployment law, and income information from the Commissioner of Social Security and the Secretary of the Treasury.
2. VERIFICATION OF INCOME- The PHA will put forth all its efforts to ensure that all available resources are used, including upfront income verification techniques; to obtain verification of tenant reported (unreported or underreported) income.

The PHA's Section 8 Program will use the following verification methods in the order listed below:

- (1) Upfront Verification
- (2) Written Third Party Verification
- (3) Oral Third Party Verification
- (4) Document Review
- (5) Tenant Declaration

The PHA should attempt to use upfront income verification first and whenever possible, since it is the most preferred method by HUD and does not rely on an individual filling out a form, which will result in lower data integrity.

The PHA's staff will use the Upfront Income Verification (UIV) Information gathered, to verify the household income of program participants. This is a key strategy in reducing income and rent errors attributable to unreported income and to increase accuracy and efficiency in determining family eligibility and computing rent calculations.

If upfront verification is not available (PHA does not have access to this type of information or it is too costly to obtain) then the PHA should obtain required written third party verification. Verification forms should be mailed, faxed or e-mailed directly to the independent source.

In the event that the independent source fails to respond to written verification requests, the PHA should then contact the independent source by telephone or an in person visit to obtain the verification. Upon receipt of the information, the PHA should document in the family file, the date and time the information was received along with the name of the person and title that provided the information.

*Below are the levels and the order of verification methods that the PHA's Section 8 Program will use in determining a family's Total Tenant Payment (TTP).*

<b>Upfront (UIV)</b>	<b>Highest (Highly Recommended, highest level of third party verification)</b>
<b>Written 3<sup>rd</sup> Party</b>	<b>High (Mandatory if upfront income verification is not available or if UIV data differs substantially from tenant-reported information)</b>
<b>Oral 3<sup>rd</sup> Party</b>	<b>Medium (Mandatory if written third party verification is not available)</b>
<b>Document Review</b>	<b>Medium-Low (Use on provisional basis)</b>
<b>Tenant Declaration</b>	<b>Low (Use as last resource)</b>

<b>Wages/Salaries</b>	Use of computer matching agreements with a State Wage Information Collection Agency (SWICA) to obtain wage information electronically, by mail or fax or in person.	The PHA mails, faxes, or e-mails a verification form directly to the independent sources to obtain wage information.	In the event the independent source does not response to the PHA's written request for information, the PHA may contact the independent source by phone or make an in person visit to obtain the requested information.	When neither form of third party verification can be obtained, the PHA may accept original documents such as consecutive pay stubs (HUD recommends the PHA review at least three months of pay stubs, if employed by the same employer for three months or more), W-2 forms, etc. from the tenant. Note: The PHA must document in the tenant file, the reason third party verification was not available.	The PHA may accept a notarized statement or affidavit from the tenant that declares the family's total annual income from earnings. Note: The PHA must document in the tenant file, the reason third party verification was not available.
	Agreements with private vendor agencies, such as The Work Number or Choice Point to obtain wage and salary information.	The PHA may have tenant sign a Request for Earnings Statement from SSA to confirm past earnings. The PHA mails the form to SSA and the statement will be sent to the address the PHA specifies on the form.			
	Use of HUD systems, when available.				

**Verification of Employment Income:** The PHA should always obtain as much information as possible about the employment, such as start date (new employment), termination data (previous employment), pay frequency, pay, rate, anticipated pay increases in the next twelve months, year-to-date earnings, bonuses, overtime, company name, address and telephone number, name and the position of the person completing the employment verification form.

**Effective Date of employment:** The PHA should always confirm start and termination dates of employment.

The PHA may accept any documents (i.e. tax returns, invoices and letters from customers) provided by the tenant to verify self-employment income. Note: The PHA must document in the tenant file, the reason third party verification was not obtained.	The PHA may accept a notarized statement or affidavit from the tenant that declares the family's total annual income from self-employment. Note: The PHA must document in the tenant file, the reason third party verification was not available.
<b>Verification of Self-Employment Income:</b> Typically, it is a challenge for PHAs to obtain third party verification of self-employment income. When third party verification is not available, the PHA should always request a notarized tenant declaration that includes a perjury statement.					
<b>Social Security Benefits</b>	Use of HUD Tenant Assessment System (TASS) to obtain current benefits history and discrepancy reports.	The PHA mails or faxes a verification form directly to the SSA office to obtain social security benefit information. (Not Available in some areas because SSA makes these data available through TASS. SSA encourages PHAs to use TASS.)	The PHA may call SSA, with the tenant on line, to obtain current benefit amount. (Not Available in some areas because SSA makes these data available through TASS. <b>Note: The PHA must not pass verification costs along to the participant.</b>					
<b>Note: In cases where the PHA cannot reliably project annual income, the PHA may elect to complete regular interim reexaminations (this policy should be apart of the PHA's written policies).</b>					

Example of the local documentation that the PHA will request, among others, is a certification from the CRIM (Center for Municipal Income and Tax Collection) to be considered for negative ownership for local real estate properties to the tenant declaration for asset verification and, a certification from the P.R. Department of Labor and Human Resources to be considered for job verification.

### ***Denial and Termination of Assistance***

The PHA policies on denial and termination of assistance will be determined as established on this Administrative Plan and as established in the 24 CFR Subpart L Sections 982.551 to 982.553 and in accordance with dispositions on the 24 CFR 5.105.

### **Policy Governing the Voucher Term and Any Extensions of the Voucher Term.**

The voucher issued to the family will be determined by the size of the family. The length for a voucher is for 60 days term, divided in 2 terms of 30days each. At the end of the first 30 days, the family must provide the PHA evidence of the effort made to find an affordable unit and must request in writing, the need of the additional 30 days for finding a unit. In case a voucher expires, the family will reapply and be added to the waiting list in order of priority, dependent upon funds availability and/or as the process is open (this is, initiate the process as a new request).

The family will obtain the pertinent request form for lease approval. The family will be given ample opportunity to discuss and raise questions with relation to the above mentioned orientation. Personal assistance will be provided to families in an attempt to help them find adequate housing.

The PHA will encourage participation of owners of suitable units located outside areas of low income or minority concentrations. Owners will be oriented in relation to this matter.

### ***Voucher Term Extensions***

The PHA will not grant extensions after the standard 60 days' voucher term. The standard voucher term is divided in two (2) justified 30 days' period each, to find a suitable unit. The extension's justification (at the end of the first 30 days period) must be requested in writing and should provide verifiable evidence.

All requests for extensions should be received prior to the expiration date of the Voucher. Extensions are permissible at the discretion of the HA primarily for the following reasons:

- a) Extenuating circumstances such as hospitalization or a family emergency for an extended period of time, which has affected the family's ability to find a unit within the initial 30-day time period. The HA representative will verify the extenuating circumstances prior to granting an extension.
- b) The family has evidence that they have made a consistent effort to locate a unit and request support services from the HA, throughout the initial 30-day period with regard to their inability to locate a unit.

The family must demonstrate its efforts to find a unit by: the Program, contact owners and real estate companies, search newspapers listing, explore neighborhoods for "For Rent" signs, check with local churches, and other community organizations. With this purpose the family must fill and certify a form (See Appendix I) in which they should record the steps taken to find an affordable unit.

- c) The family has turned in a Request for Lease Approval prior to the expiration of the 30-day time period, but the unit has not passed HQS.
- d) Time Period for extensions: A HA representative will grant one extension not to exceed a total of 30-days. The initial term plus any extensions WILL NOT exceed 60 calendar days for the beginning of the initial term.
- e) Extensions for Disabled persons: the HA representative must grant an extension of up to 120 days for persons who are disabled.

Justified circumstances also include:

- Where there is a reasonable possibility that the family will need additional advice and assistance to find a suitable unit;
- Depending on the level of support services requested by and provided to the family;
- Whether the family has already submitted requests for approval of the tenancy for units that were not approved by the PHA; and

- Whether the family size or other special requirements made finding a unit difficult.

When the voucher term expires, the PHA will require that the family reapply when the PHA begins accepting applications.

***Suspension (or “tolling”) of Term***

The PHA **will not grant** the family a suspension of the voucher term if the family has submitted a request for approval of the tenancy during the term of the voucher. [24 CFR 982.4, “Definitions”, and 982.303]

### **III. POLICY ON SPECIAL RULES FOR USE OF AVAILABLE FUNDS (SPECIAL PURPOSE): ASSISTANCE TARGETED BY HUD (See also Section XXIII Special Housing Assistance)**

#### *General Rules*

The PHA applies for additional funds as they become available. The availability of such funds will be first notified in writing, to those already listed in the waiting list. Also a flyer will be posted in the bulletin board of the Section 8 Office.

When HUD awards special funding for certain family types, families who qualify are placed on the regular waiting list. When a specific type of funding becomes available, the waiting list is searched for the first available family meeting the targeted funding criteria, unless, as a requirement of the program, eligible families are referred from a social service agency. The PHA will follow the applicable regulation in the administration of the special purpose vouchers (as granted).

#### *Special Funding: NOFA (Notice of Funding Availability)*

Additional vouchers funding such as Occupancy NOFA, would be selected from the waiting list proceeding, the regular selection procedures and/or those procedures established in the Federal Register.

#### *Special Population Vouchers*

Vouchers targeted to special population, such as Family Unification, Welfare-to-Work, Mainstream Opportunities- Services to Persons with Disabilities; will be publicly announced and selected from a special waiting list (designated for this type of funding), giving priority to those in the regular waiting list (who will be notified by mail).

#### *Special Housing Types Funding*

The PHA does not plan to apply for Special Housing Types Funding. If eventually, the PHA decides to apply for such funding; the policies on special rules will be stated as follows:

When HUD awards funding to a PHA program, which is targeted for families living in specified units (such as Housing Demolition, Mainstream Housing - Elderly Designation, etc.), the PHA must use the assistance for the families living in those units. The PHA must admit these families under a Special Admission procedure.

Special Admission is given to families that are not on the waiting list, or without considering the family's position on the waiting list. The PHA must maintain records showing that a family was admitted with HUD-targeted assistance. Special admission families need not to qualify for any preference. They are not counted against the limit of local preference admissions. The PHA must maintain a separate record of these admissions.

## IV. OCCUPANCY POLICIES

The PHA will only admit an eligible family to the program. To be eligible, the applicant must be a “family”, must be income-eligible, and must be a citizen, or a noncitizen that has eligible immigration status; as determined in accordance with 24 CFR Part 5.

### 1. Family Composition and Income Eligibility

The PHA defines family and income eligibility as stated on the 24 CFR. This definition includes “live-in-aide” and single person, among others.

*Family: (24 CFR: §5.403 and §982.4) a single or a group of persons living together, subject to the provisions and eligibility criteria established under the program [Family Composition §982.201 (c)]. Persons related by blood, marriage, or by operation of law.*

*Single person family for the PHA is: a single person (21 yrs +) with or without a child or children temporary away (placed in foster care), an elderly person, a disabled person, a displaced family and a remaining member of the original assisted family (which qualifies to continue in the program).*

To consider a person a “live-in-aide”, such person must be essential for the care and aide of the person who serves as a companion. To determine its eminent presence in the dwelling unit, the family must submit appropriate medical certification and any other evidence that the PHA deems necessary. Approval of a live-in aide for reasonable accommodation will be in accordance with the 24 CFR. (See Part 8 of the 2006 version and any other applicable or prevalence law.)

Per Title 24 CFR 982.316, the PHA will refuse to approve a particular person as a live-in aide, or will withdraw such approval if:

- The person commits or has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;
- The person commits or has committed drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

### 2. Continuously Assisted Family

As established in the 24 CFR (part 982.201), an applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

It is in this regard that the PHA has established the following policy concerning whether and to what extent a brief interruption between assistance and admission to the voucher program will be considered to break continuity of assistance:

“Any family currently involved with any federally assisted public housing project has a total of some 365 calendar days or one year between the period they have left a federal housing program and applied for assistance under the Housing Choice Voucher Program, in order to be considered under continuously assisted.”

### **3. Standards for Denying Admission or Terminating Assistance Based on Criminal Activity or Alcohol Abuse in Accordance with Sec. 982.553**

The members of the household will not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

*Action or inaction by family.*

The PHA will deny assistance for an applicant or terminate assistance for a participant under the programs because of the family's action or failure to act as described in this section or Sec. 982.553. The provisions of this section do not affect denial or termination of assistance for grounds other than action or failure to act by the family.

*Requirement to deny admission or terminate assistance.*

1. For provisions on denial of admission and termination of assistance for illegal drug use, other criminal activity, and alcohol abuse that would threaten other residents, the PHA applies the rules on the 24 CFR Sec. 982.553.
2. If the family has been engaged in criminal activity or alcohol abuse as described in Sec. 982.553.

Per Sec. 982.553, the PHA must prohibit admission to the program of an applicant for three (3) years from the date of eviction if a household member has been evicted from federally assisted housing for drug-related criminal activity. However, it is the PHA decision to admit the household if the PHA determines:

- (A) That the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PHA; or
- (B) That the circumstances leading to eviction no longer exist (for example, the criminal household member has died or is imprisoned).

- (C) If the PHA determines (with evidence) that the evicted person clearly did not participate in or know about the drug-related criminal activity and the leading to eviction not longer exist (as part B, above).

The PHA will prohibit admission if:

- (A) Any household member is currently engaging in illegal use of a drug;
- (B) It is determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use will threaten the health, safety, or right to peaceful enjoyment of the premises by other residents; or
- (C) Any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

**Drug** - means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

**Covered person** - means a tenant, any member of the tenant's household, a guest or another person under the tenant's control.

**Guest**- means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. The requirements of part 982 apply to a guest as so defined.

**Other person under the tenant's control** - means that the person, although not staying as a guest (as defined in this section) in the unit, is, or was at the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not *under the tenant's control*.

#### *Mandatory prohibition*

The PHA must prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. In this screening of applicants, the PHA must perform criminal history background checks necessary to determine whether any household member is subject to a lifetime sex offender registration requirement in the State where the housing is located and in other States where the household members are known to have resided.

#### *Permissive prohibitions*

The PHA will prohibit admission of a household to the program if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the

admission:

- (1) Drug-related criminal activity;
- (2) Violent criminal activity;
- (3) Other criminal activity which will threaten the health, safety, or right to **peaceful** enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
- (4) Other criminal activity which will threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor or agent).

If the PHA previously denied admission to an applicant because a member of the household engaged in criminal activity, it is the PHA decision to reconsider the applicant if the PHA has sufficient evidence that the members of the household are not currently engaged in, and have not engaged in, such criminal activity during a reasonable period, as determined by the PHA, before the admission decision.

- (1) The PHA would have “sufficient evidence” if the household member submitted a certification that she or he is not currently engaged in and has not engaged in such criminal activity during the specified period and provided supporting information from such sources as a probation officer, a landlord, neighbors, social service agency workers and criminal records, which the PHA verified.
- (2) For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.
- (3) Prohibiting admission of alcohol abusers. The PHA must establish standards that prohibit admission to the program if the PHA determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

*Terminating of assistance for:*

*Drug criminals*

The PHA must establish standards that allow the PHA to terminate assistance for a family under the program if the PHA determines that:

- (A) Any household member is currently engaged in any illegal use of a drug; or
- (B) A pattern of illegal use of a drug by any household member interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The PHA must immediately terminate assistance for a family under the program if the PHA

determines that any member of the household has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

The PHA must establish standards that allow the PHA to terminate assistance under the program for a family if the PHA determines that any family member has violated the family's obligation under Sec. 982.551 not to engage in any drug-related criminal activity.

Drug related criminal activity - is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance.

#### Other criminals

The PHA must establish standards that allow the PHA to terminate assistance under the program for a family if the PHA determines that any household member has violated the family's obligation under Sec. 982.551 not to engage in violent criminal activity.

Violent criminal activity - includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property.

#### Alcohol abusers

The PHA must establish standards that allow termination of assistance for a family if the PHA determines that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

### *Standards*

**Standard for Violation** – The PHA will deny participation in the program to applicants and terminate assistance to participants in cases where there is reasonable cause to believe that a household member is illegally using a drug or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where the PHA determines that there is a pattern of illegal use of a drug or a pattern of alcohol abuse. The PHA will consider the use of a controlled substance or alcohol to be a pattern if there is more than one incident during the previous 12 months.

**"Engaged in or engaging in" violent criminal activity** - means any act within the past 3 years by an applicant or participant or household member which involved criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage, which resulted in the arrest and/or conviction of the applicant, participant, or household member.

The existence of the above-referenced behavior by any household member, regardless of the applicant or participant's knowledge of the behavior, shall be grounds for denial or termination of assistance.

#### *Evidence of criminal activity*

The PHA will terminate assistance for criminal activity by a household member as authorized in this section if the PHA determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted for such activity.

#### *Required Evidence*

The PHA will pursue fact-finding efforts as needed to obtain evidence for termination of assistance. Pending termination actions will be based on the following rules of evidence:

- *Preponderance of evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence will not be determined by the number of witnesses, but by the greater weight of all evidence.
- *Credible evidence* will be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

#### *Use of criminal record*

(1) Denial - If a PHA proposes to deny admission for criminal activity as shown by a criminal record, the PHA must provide the subject of the record and the applicant with a copy of the criminal record. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with Sec. 982.554. (See part 5, subpart J for provision concerning access to criminal records.)

(2) Termination of assistance - If a PHA proposes to terminate assistance for criminal activity as shown by a criminal record; the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record and the tenant with a copy of the criminal record. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record in accordance with Sec. 982.555.

(3) Cost of obtaining criminal record – Tenants will notify the PHA any difficulty in obtaining the criminal record. As feasible, the PHA will not pass along to the tenant the costs of a criminal records check.

*Family Obligations [24 CFR982.551]*

All obligations of the family are explicitly stated on the Housing Choice Voucher form which serves as the contractual document between the PHA and program participants.

These obligations are discussed in detail with program participants at the mandatory briefing sessions prior to admission to the program. Violation of any of these family obligations will be grounds for termination of assistance.

*Notice of Termination of Assistance*

The PHA will provide a written notice of intent to terminate housing assistance, which will include the following information:

- The family obligation that has been violated;
- The specific action(s) which occurred in violation of the family obligation;
- The effective date of the proposed termination,
- The family's right, if they disagree, to request an Informal Hearing to be held prior to termination of assistance; and,
- The date by which a request for an informal hearing must be received by the PHA.

The PHA will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the Termination of Assistance. The Notice to the owner will not include any details regarding the reason for termination of assistance.

## **V. ENCOURAGING PARTICIPATION BY OWNERS OF SUITABLE UNITS LOCATED OUTSIDE AREAS OF LOW INCOME OR MINORITY CONCENTRATION**

The PHA will publish a notice inviting owners to make dwelling units available for leasing by participating families. This notice is published via memoranda posted in the Municipal Government Reception Bulletin Board and the Section 8 Reception Area and/or other suitable means, as necessary, in order to reach a maximum number of owners and real estate brokers located in all geographical sectors within the jurisdiction of the Housing Administration.

The PHA has an affirmative action marketing program to ensure that opportunities for program participation are adequately publicized in order to reach and/or accomplish the following:

- Families identified by the PHA as the least likely to apply (e.g., handicapped families, very low-income families, large families, homelessness families, women household families, and victims of domestic violence)).
- Families identified in the Housing Assistance Plan.
- Owners of rental properties located outside areas of low-income or minority concentrations.
- Families identified in the Rental Rehabilitations Program
- Provide area- wide housing opportunities to families.

All outreach is done in accordance with the Section 8 Office's approved Equal Opportunity Housing Plan, Administrative Plan, and HUD guidelines for fair housing opportunity logotype, statement and slogan.

The best way to recruit new owners is to operate the housing choice voucher program effectively and treat owners professionally. This includes minimizing the time required to inspect units and to start HAP payments, applying program rules consistently, being timely and predictable in all program processing, maintaining effective and prompt communications with owners (e.g., returning calls quickly, identifying a single point of contact, meeting at least once a year with them), and making payments accurately and on time. The PHA also includes that: Tenants are required to pay the security payment to the landlord at the contract signature meeting.

**VI. ASSISTING A FAMILY THAT CLAIMS THAT ILLEGAL DISCRIMINATION HAS PREVENTED THE FAMILY FROM LEASING A SUITABLE UNIT: Discrimination Complain Procedure and Housing Accessibility Policy for the Disable. (See also Section XII)**

As part of the information packet provide to the applicants, the applicants are given Information on federal, State and local equal opportunity laws, and a copy of the housing discrimination complaint form.

The PHA will assist the families that claim that illegal discrimination has prevented the family from leasing a suitable unit: Ex., single women with many children, according to the Fair Housing Act and Equal Opportunity and Non-Discriminatory Laws.

A family which claims that illegal discrimination because of race, color, religion, sex, national origin, age, familial status or disability prevents the family from finding or leasing a suitable unit with assistance under the program; must fill a housing discrimination complaint in the PHA main administrative office.

Where a family alleges that illegal discrimination is preventing them from finding a suitable unit, the PHA will provide reasonable assistance this matter by directing the aggrieved to the necessary agencies.

**A. EQUAL OPPORTUNITY**

**1. Fair Housing**

It is the policy of the PHA to comply fully with all Federal, State, and local nondiscrimination laws, including but not limited to Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national origin, familial status, age or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any PHA housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding unlawful discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the PHA office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The PHA will assist any family that believes they have suffered illegal discrimination by providing them with copies of the housing discrimination form. The PHA will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

## 2. Housing Accessibility Policy

Sometimes people with disabilities will need a reasonable accommodation in order to take full advantage of the PHA housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the PHA will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the PHA will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

The PHA complies with non-discrimination policies established by Title VII of the Civil Rights Act of 1968 (Fair Housing Act) by providing reasonable accommodations to persons with disabilities, whether registrants, applicants, or participants by:

- Making application and registration forms available to organizations that service or represent the aged or persons with disabilities;
- Complying with Federal, State and Local laws regarding accommodations for persons with disabilities and providing adequate office facilities;
- Providing assistance to complete forms and to provide other documents required by program regulations;
- Providing reasonable extensions of time for the completion of program requirements to the extent allowed by HUD regulations;
- Providing extensions of the terms of Vouchers to the extent allowed by program regulations, or, if prohibited by regulations, requesting written approval by HUD for additional extensions to accommodate families containing persons with disabilities;
- Conducting in-home visits for persons who are unable to visit the office due to medical conditions; and
- Soliciting information on the accessibility of owners' units for persons with disabilities, and providing information on amenities the unit will provide for persons with disabilities.

### 3. Complaint Procedures

#### *Introduction*

These procedures establish the handling of complaints filed by applicants and/or participants in the PHA's Section 8 Program. These procedures will guarantee the timely, joint resolution of complaints.

#### *Filing of Complaints*

Complaints shall be filed before the Housing Department or Program Director/Coordinator or a designated representative within the PHA's Office of Housing and Section 8 Program.

The complainant shall file complaints personally. Upon the filing of a complaint, the parts will conduct an informal discussion to attempt to arrive at a fair and reasonable resolution without having to conduct a Hearing. A decision will be made as expeditiously as possible. The Housing Department or Program Director/Coordinator shall prepare a short written report of the informal discussion, which will include this decision. The complainant will be provided copy of this report within five workdays after the decision is made. The written report will specify:

- a. Name of participants
- b. Date in which the complaint was filed
- c. Nature of the complaint
- d. Decision made by the Housing Department or Program Coordinator for resolution of the complaint, and basis for such decision
- e. Procedures through which the complainant will request a Hearing

#### *Procedures for requesting a Hearing before an Official designated by the Mayor*

When the complainant is not satisfied with the decision made by the Housing Department or Program Director/Coordinator, a Hearing will be requested in writing within ten (10) workdays from the date of receipt of the decision.

The Request for Hearing shall include the following:

- a. The complaint
- b. Reasons for the complaint
- c. Action or remedy sought

By not requesting a Hearing within the established time frame, the complainant renounces the right to Hearing and accepts the Housing Department or Program Director/Coordinator's decision as final and binding, unless just cause can be established for requesting a Hearing within the established time frame.

#### 4. Disability procedures

##### *General*

The PHA's Section 8 Program shall not discriminate against any person because of race, color, sex, religion, civil status, political affiliation, and/or physical or mental disability.

The Program is committed to offer quality and excellence in services, and to provide the necessary tools to help persons with disabilities in specific situations, and will arrange assistance in those cases referred to the Office of Assistance to Persons with Disabilities.

## **VII. PROVIDING INFORMATION ABOUT A FAMILY TO PROSPECTIVE OWNERS**

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening of families on the basis of their tenancy histories. An owner will consider a family's background with respect to such factors as:

- (i) Payment of rent and utility bills;
- (ii) Caring for a unit and premises;
- (iii) Respecting the rights of other residents to the peaceful enjoyment of their housing;
- (iv) Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and
- (v) Compliance with other essential conditions of tenancy.

### *PHA information about tenant*

It is the PHA policy to provide information to the owner as established in the 24 CFR 982.307. This information includes:

- (i) The family's current and prior address (as shown in the PHA records); and
- (ii) The name and address (if known to the PHA) of the landlord at the family's current and prior address.

Owners' obligations are brief to the owner as stated in the 24 CFR part 982, mostly in section 982.452. This information will be given to both owners and participants.

### **VIII. DISAPPROVAL OF OWNERS**

A property owner does not have a right to participate in the housing choice voucher program.

The PHA will not enter into a HAP contract with any owner who refuses or has a history of refusing to evict families, who disturb the peaceful enjoyment of the property, engage in drug-related or violent criminal activity, and threaten the health or safety of other residents, managers, employees of the Housing Department or the owner. This is in accordance with established HUD regulations as set forth in the Quality Housing and Work Responsibility Act of 1998.

The PHA must not approve an assisted tenancy if the PHA has been informed (by HUD or otherwise) that the owner is debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

In addition, the PHA must not approve the assisted tenancy when it has been informed by HUD that:

- The federal government has instituted an administrative or judicial action against the owner for a violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending; or
- A court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements.

In its administrative discretion, the PHA will deny approval of an assisted tenancy for any of the following reasons, including but not limited to those aforementioned:

- (1) The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);
- (2) The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- (3) The owner has engaged in any drug-related criminal activity or any violent criminal activity;
- (4) The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;
- (5) The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
  - (i) Threatens the right to peaceful enjoyment of the premises by other residents;
  - (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing;
  - (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or
  - (iv) Is drug-related criminal activity or violent criminal activity; or
- (6) The owner has a history or practice of renting units that fail to meet State or local housing codes; or

- (7) The owner has not paid State or local real estate taxes, fines or assessments.

#### *Leases Between Relatives*

The PHA must not approve a unit if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family; unless the PHA determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. This restriction against PHA approval of a unit only applies at the time a family initially receives tenant-based assistance for occupancy of a particular unit, but does not apply to PHA approval of a new tenancy with continued tenant-based assistance in the same unit.

In cases where the owner and tenant bear the same last name, the PHA will require the family and owner to certify whether they are not related to each other in any way. Failure to disclose relationship will be considered fraud and grounds for termination of tenancy and prohibition of future program participation by the owner.

#### *Conflicts of Interest*

PHAs must also not approve contracts in which any of the following parties have a current interest or will have an interest in the HAP contract for one year thereafter:

- Present or former member or officer of the PHA, except a participant commissioner;
- Employee of the PHA or any contractor, subcontractor or agent of the PHA who formulates policy or influences program decisions;
- Public official, member of a governing body, or state or local legislator who exercises functions or responsibilities related to the programs; or
- Members of U.S. Congress.

The HUD Field Office will waive the conflict of interest requirements, except for members of Congress, for good cause.

It should be clearly noted that nothing contained within 24 CFR 982.306 is intended to give any owner any right to participate in the program. For purposes of this plan the term “owner” includes a principal or other interested parties.

## **IX. SUBSIDY STANDARDS [24 CFR 982.54(d)(9)]**

HUD guidelines require PHAs to establish subsidy standards for the determination of family unit size that provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS). This Section explains the subsidy standards that PHA will use to determine the voucher size (family unit size) for families when they are selected from the waiting list, the PHA's procedures for a family size change, and for family selection of a unit of a different size than the voucher size.

### **1. Determining Family Unit (Voucher) Size [24 CFR 982.402]**

The PHA requires at least one person per bedroom when determining the voucher unit size. The PHA also considers the interests of minor children (under the age of five) or of ill, elderly or disable family members (See sections 2 and 3 below), for unit size. The PHA's subsidy standards for determining voucher size shall be applied in a manner consistent with fair housing guidelines.

All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The voucher unit size remains the same, as long as the family composition remains the same, regardless of the actual unit rented.

One bedroom will be assigned for the head of household and or spouse or co-head, and one bedroom will be awarded to each two family members. The PHA does not allow that family members of different sex (unless couples) share a room. (For example: Twins same sex can share a room but not if they have different sex.) The PHA allows family members with 5 year of difference in age to share a room. (For example: 10 and 12 year old girls can share a room but not a 10 and 16 year old girls).

Exceptions will be made for medical reasons, or for a live-in aide, or as agreed by the family by written notification as allowed by applicable laws.

Bedroom size will also be determined using the following guidelines:

- Children of the same sex (within 5 years of difference) will share a bedroom.
- Children of the opposite sex, both under the age of 6, will share a bedroom.
- Adults (18+) and children will not be required to share a bedroom.
- Foster adults and children will not be required to share a bedroom with family members.
- Live-in aides will get a separate room.

The PHA will reexamine the subsidy standard annually.

Generally, the PHA assigns one bedroom to two people, within the following guidelines:

Foster children will be included in determining unit size, only if they will be in the unit for more than six months.

Live-in attendants will generally be provided a separate bedroom. No additional voucher bedrooms are provided for the attendant's family.

Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member absent due to military service.

A single pregnant woman, with no other family members, is treated as a two-person family.

The family's unit size will be determined without overcrowding or over-housing. (See section 3 below for unit guidelines)

## **2. Exceptions to Subsidy Standards [24 CFR 982.402]**

The PHA will grant exceptions from the subsidy standards, upon request, providing the PHA determines the exceptions are justified by the health or handicap/disability of family members, or other individual circumstances.

The PHA will grant an exception upon request as an accommodation for persons with handicaps/disabilities. Circumstances will dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a:

A verified medical or health reason; or

An elderly or disabled family that requires a live-in attendant (evidenced).

### *Request for Exceptions to Subsidy Standards*

The family will request a larger size voucher than indicated by the PHA subsidy standards. The request must explain the need or justification for a larger voucher bedroom-size. Documentation verifying the need or justification will be required by the PHA.

The PHA will not issue a larger voucher due to additions of family members, other than by birth, adoption, marriage, or court-awarded custody.

A doctor, other medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional must provide a certification of the need for additional bedrooms.

### *Changes for Applicants*

The voucher size is determined prior to the briefing by comparing the family composition to the PHA subsidy standards. If an applicant requires a change in the voucher size, the above referenced guidelines will apply.

### *Changes for Participants*

The PHA must approve the members of the family residing in the unit. The family must obtain PHA approval of any additional family member prior to that person moving into the assisted unit, unless the addition is by birth, adoption, or court-awarded custody, in which case the family must inform the PHA within 15 days, and the above referenced guidelines will apply.

### *Underhoused and Overhoused Families*

If a unit does not meet HQS space standards because of an increase in family size due to a birth, adoption, or court-awarded custody (unit too small), the PHA will issue a new voucher of the appropriate size, and assist the family in locating a suitable unit. Additions to the household other than through birth, adoption, or court-awarded custody, are not eligible for a larger voucher bedroom size, and these additional members will not be added to the household, if the addition violates HQS due to overcrowding.

## **3. Unit Size Selected [24 CFR 982.402(c)]**

The family will select a different size dwelling unit than that listed on the voucher. There are three criteria to consider:

*Subsidy Limitation:* The payment standard for a family shall be the lower of:

- The PHA payment standard amount for the family unit size; or
- The PHA payment standard amount for the unit size rented by the family.

*Utility Allowance:* The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's voucher.

*Housing Quality Standards:* The standards allow a maximum occupancy of two persons per living/sleeping room as shown in the table below. Sleeping area would include: living room, den, dining room, library, or other rooms used for sleeping.

**HQS GUIDELINES FOR UNIT SIZE SELECTED** (REF: HUD'S Housing Choice Voucher Program Guidebook)

## **X. FAMILY ABSENCE FROM THE DWELLING UNIT [24CFR 982.312]**

The family may be absent from the unit for brief periods. An absence is considered an authorized 15 calendar day's period out of the unit. However, the family will not be absent from the unit for a period of more than 180 consecutive calendar days in any circumstance, or for any reason.

Absence means that no member of the family is residing in the unit.

For the PHA's Section 8 Program, the family will be considered absence and in violation of its lease, when it is not in the unit for more than 15 days consecutive calendar days, without a previous and/or immediate reasonable notification.

Housing assistance payments terminate if the family is absent for longer than the maximum period permitted. The term of the HAP contract and assisted lease also terminate. (The owner must reimburse the PHA for any housing assistance payment for the period after the termination.)

The family must supply any information or certification requested by the PHA to verify that the family is residing in the unit, or relating to family absence from the unit. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit, including any information requested on the purposes of family absences. The family must notify the absence as soon as the situation or need exists; at least 7 days (a week) and up to 10 days prior to the absence. (In case of emergency, the PHA will be notified immediately.)

It is the responsibility of the head of household to report changes in family composition. The PHA will evaluate absences from the unit using this policy.

Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member absent due to military service.

To verify family occupancy or absence from the dwelling unit, the PHA will:

- Make telephone calls to the family every 90 to 120 days, and/or correspondence directly to the family at the unit, or will choose to make a personal visit to the family of the leased residence.
- Additionally, when deemed necessary, the PHA reserves the right to question the owner and/or neighbors at the leased residence.
- The PHA will review the Energy (AEE COMPANY) and Water/Sewer (AAA COMPANY) Billings.
- What is deemed necessary, considering the PHA affordability and applicable laws.

The PHA will allow the family to be absent from the dwelling unit for no more than 90 days under the following (first three must verified circumstances):

- Illness or hospitalization (medical history verification requested)
- Illness of a relative who needs care from a family member, in another location (medical history verification requested)
- Any other PHA approved and verified circumstances, e.g., military service (reserves, etc.)
- Vacations for no more than 15 days.

#### *Absence of Any Member*

A member of the household is considered permanently absent if s/he is away from the unit for six consecutive months or more in a twelve-month period, except as otherwise provided in this plan. If a member of the household is subject to a court order that restricts him/her from the home for more than six months, the person will be considered permanently absent.

#### *Absence due to Medical Reasons*

If a family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the PHA will require verification from a reliable, qualified source as to the likelihood of his/her return, and the anticipated length of his/her absence. If the verification indicates the family member is permanently confined to a nursing home, h/she will be considered permanently absent. If the verification indicates the family member will return in less than 180 consecutive days, the family member will be considered temporarily absent. If the permanently absent person is the sole member of the household, assistance will be terminated in accordance with the PHA's policy.

#### *Absence Due to Full-time Student Status*

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home, but lives with the family during school recesses will, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of voucher size.

#### *Income of Temporarily Absent Family Members*

The PHA must count all income of family members whom the PHA has approved to reside in the unit, even if they are temporarily absent.

If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other HUD-defined exceptions to military pay) is counted as income.

*In General*

- ✓ Families must notify the PHA at least 30 days before moving out of the unit.
- ✓ Families must notify the PHA as soon as the situation or need exists; no less than 7 days before leaving the unit if they are going to be absent from the unit for or more than 15 consecutive days.
- ✓ If it is determined that the family is absent from the unit, the PHA will continue assistance payments for the period of time estimated that the family will be absent but not more than six months provided that the family gave proper notice to the PHA. If the family did not provide proper notice, the assistance will be terminated at the end of the month following 30 days after notification of absence.
- ✓ In cases where the family has moved out of the unit, the PHA will terminate assistance in accordance with appropriate termination procedures contained in this Plan.

## **XI. HOW TO DETERMINE WHO REMAINS IN THE PROGRAM IF A FAMILY BREAKS UP**

In circumstances of a family break-up, the PHA will make a determination of which family member will retain the voucher, taking into consideration the following factors:

1. To whom the voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the PHA will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the PHA will make determinations on a case-by-case basis. However, the PHA preference will be in the interest of the minor children, always taking into consideration (in all cases) the accomplishment of income and program eligibility.

The PHA will issue a determination within 15 business days of the request for a determination. The family member requesting the determination will request an informal hearing in compliance with the informal hearings in Section XII.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The PHA will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the PHA will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with Section XVI of this Plan, part: Effective Date of Rent Changes Due to Interim or Special Reexaminations.

Families are not required to, but will at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the PHA will take timely action to process the interim reexamination and recalculate the family share.

## **XII. COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS**

### **1. Complaints**

The PHA will investigate and respond to complaints by participant families, owners, and the general public. The PHA will require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

### **2. Informal Review for the Applicant**

The PHA will give an applicant for participation in the Section 8 Voucher Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the PHA decision. The notice will state that the applicant will request an informal review within 15 days of the denial and will describe how to obtain the informal review. The request must be in writing.

#### *When an Informal Review is not Required*

The PHA will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the PHA subsidy standards.
2. A PHA determination not to approve an extension or suspension of a voucher term.
3. A PHA determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A PHA determination that a unit selected by the applicant is not in compliance with HQS.
5. A PHA determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the PHA.

#### *Informal Review Process*

The PHA will give an applicant an opportunity for an informal review of the PHA decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the other than

the person who made or approved the decision under review or a subordinate of this person.

2. The applicant will be given an opportunity to present written or oral objections to the PHA decision.
3. The PHA will notify the applicant of the PHA decision after the informal review within 10 calendar days. The notification will include a brief statement of the reasons for the final decision.

### *Considering Circumstances*

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority will consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or guilt of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority will impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were guilty for the action or failure will not reside in the unit. The Housing Authority will permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the PHA will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol.

### *Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status (§5.514)*

The applicant family will request that the PHA provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The applicant family must make this request within 30 days of receipt of the Notice of Denial or Termination of

Assistance, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision to request the review.

### **3. Informal Hearings for Participants**

#### *When a Hearing is Required*

1. The PHA will give a participant family an opportunity for an informal hearing to consider whether the following PHA decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and PHA policies:
  - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
  - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule.
  - c. A determination of the family unit size under the PHA subsidy standards.
  - d. A determination that a Voucher Program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the PHA subsidy standards, or the PHA determination to deny the family's request for an exception from the standards.
  - e. A determination to terminate assistance for a participant family because of the family's action or failure to act.
  - f. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the PHA policy and HUD rules.
2. In cases described in paragraphs (d), (e), and (f), Section 3-1(*Informal Hearing for Participants: When a Hearing is required*) above, the PHA will give the opportunity for an informal hearing before the PHA terminates housing assistance payments for the family under an outstanding HAP contract.

#### *When a Hearing is not Required*

The PHA will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

1. Discretionary administrative determinations by the PHA.
2. General policy issues or class grievances.
3. Establishment of the PHA schedule of utility allowances for families in the program.
4. A PHA determination not to approve an extension or suspension of a voucher term.
5. A PHA determination not to approve a unit or lease.
6. A PHA determination that an assisted unit is not in compliance with HQS. (However, the PHA will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
7. A PHA determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the PHA to exercise or not exercise any right or remedy against the owner under a HAP contract.

#### *Notice to the Family*

1. In the cases described in paragraphs 3-1(a), (b), and (c) of this Section (*Informal Hearing for Participants: When a Hearing is required*), the PHA will notify the family that the family will ask for an explanation of the basis of the PHA's determination, and that if the family does not agree with the determination, the family will request an informal hearing on the decision.
2. In the cases described in paragraphs 3-1(d), (e), and (f) of this Section (*Informal Hearing for Participants: When a Hearing is required*), the PHA will give the family prompt written notice that the family will request a hearing within 10 business days of the notification. The notice will:
  - a. Contain a brief statement of the reasons for the decision; and
  - b. State if the family does not agree with the decision, the family will request an informal hearing on the decision within 15 business days of the notification.

#### *Hearing Procedures*

The PHA and participants will adhere to the following procedures:

1. Discovery
  - a. The family will be given the opportunity to examine before the hearing any

PHA documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the PHA does not make the document(s) available for examination on request of the family, the PHA will not rely on the document at the hearing.

- b. The PHA will be given the opportunity to examine, at the PHA's offices before the hearing, any family documents that are directly relevant to the hearing. The PHA will be allowed to copy any such document at the PHA's expense. If the family does not make the document(s) available for examination on request of the PHA, the family will not rely on the document(s) at the hearing.

Note: The term document includes records and regulations.

## 2. Representation of the Family

At its own expense, a lawyer or other representative will represent the family.

## 3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the PHA, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the PHA hearing procedures.

## 4. Evidence

The PHA and the family must have the opportunity to present evidence and will question any witnesses. Evidence will be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

## 5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

## 6. Effect of the Decision

The PHA is not bound by a hearing decision:

- a. Concerning a matter for which the PHA is not required to provide an

opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the PHA hearing procedures.

- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the PHA determines that it is not bound by a hearing decision, the PHA will notify the family within 15 calendar days of the determination, and of the reasons for the determination.

### *Considering Circumstances*

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority will consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or guilt of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority will impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were guilty for the action or failure will not reside in the unit. The Housing Authority will permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the PHA will consider evidence of whether the household member:

- 1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol;
- 2. Has otherwise been rehabilitated successfully and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
- 3. Is participating in a supervised drug or alcohol rehabilitation program and is not longer engaging in the illegal use of a controlled substance or abuse of alcohol.

### *Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status (§5.514)*

The participant family will request that the PHA provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The participant

family must make this request within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

### **XIII. RENT AND HOUSING ASSISTANCE PAYMENT**

#### **General**

After October 1, 1999, the PHA will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held were honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 was complete (see Section XXII for additional guidance).

#### **Rent Reasonableness** (§982.503, §982.507)

The PHA's Section 8 Program will not approve or grant any initial or revised rent proposed by the owner under the Housing Choice Voucher Program ("tenant-based"), unless the amount proposed has been determined to be reasonable. Rent reasonability must be determined before the initial lease is effective, under the following terms and conditions:

- A. Before the rent proposed by the owner (initial or revised) is approved;
- B. If 60 days prior to the end of the annual lease (previous to the effectiveness of the new rent contract) the published FMR decrease 5% in comparison with the former FMR; and if
- C. The PHA or HUD determines that rent reasonableness must be revised.

#### **Comparability** (§982.507)

To determine rent reasonableness, the PHA will compare the proposed rent of the unit to be leased with other comparable units located within the same vicinity or jurisdiction, and with characteristics similar to the unit to be leased. The PHA will consider location, quality, size, number of rooms, age, facilities/amenities, housing services, maintenance and utilities of the unit to be leased, as well as those of comparable units.

The PHA will keep updated statistical information of units for rent within its jurisdiction. The PHA will also obtain from landlords/owners associations and housing administrative agencies, information regarding the added values that special or additional facilities will provide to a unit.

The PHA will establish an average rent for each type and size in rooms of a unit to be leased. Starting from the rent average, the PHA will increase or decrease the dollar value for each characteristic or facility of any proposed unit.

Owners will be invited to provide information that will help the PHA to keep the data updated and to maintain an inventory of comparable rent units. The owners will revise the determination taken over their unit and will give additional information or make improvements to the unit, which may help the PHA in determine the establishment of a higher value.

The owner shall certify the rental for other units that he possesses. By accepting each monthly rental payment for the subsidized unit, the owner certifies that the rental that he receives for the unit is not

greater than the rent he received for other comparable units that he possesses within the same municipal jurisdiction and that are not subsidized.

The inspector should fully complete a form (see Appendix II) and certify the compiled information. This form or questionnaire contains the information of the unit proposed for rent and of three comparable units (which have the same conditions and facilities).

### **Maximum Subsidy**

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the PHA and approved by HUD) determines the maximum subsidy for a family.

For the Voucher Program, the minimum payment standard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard will not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

### ***Setting the Payment Standard***

The Statute requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR without HUD's prior approval. The PHA will review its determination of the payment standard annually after publication of the FMRs. The PHA will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families have to rent low quality units or pay over 40% of income for rent, the payment standard will be raised to the level judged necessary to alleviate these hardships.

The PHA will establish a higher payment standard (although still within 110% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom

size will increase or decrease while another remains unchanged. The PHA will consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

***Selecting the Correct Payment Standard for a Family***

- A. For the voucher tenancy, the payment standard for a family is the lower of:
  - 1. The payment standard for the family unit size; or
  - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
  - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
  - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

***Area Exception Rents***

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority will request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas will be of any size, though generally not smaller than a census tract. The Housing Authority will request one such exception payment standard area or many. Exception payment standard rent authority will be requested for all or some unit sizes, or for all or some unit types. The exception payment standard area(s) will not contain more than

50% of the population of the FMR area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

### **Assistance and Rent Formulas**

#### **A. Total Tenant Payment**

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. The Minimum rent
4. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard.

#### **B. Minimum Rent.**

The PHA minimum rent will be as stated in the most recent approved 5 yr/Annual PHA Plan or Annual PHA Plan. However, if the family requests a hardship exemption, the PHA will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. **A hardship exists** in the following circumstances:
  - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationally Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

- b. When the family would be evicted because it is unable to pay the minimum rent;
  - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
  - d. When a death has occurred in the family.
- 2. **No hardship.** If the Housing Authority determines there is not qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
- 3. **Temporary hardship.** If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the month following the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.
- 4. **Long-term hardship.** If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- 5. **Appeals.** The family will use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Merged Vouchers

- 1. The payment standard is set by the Housing Authority between 90% and 110% of the FMR or higher or lower with HUD approval.
- 2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
- 3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income if the gross rent exceeds the applicable payment standard.

D. Section 8 Preservation Vouchers

- 1. Payment Standard
  - a. The payment standard is the lower of:
    - i. The payment standard amount for the appropriate family unit

- size; or
      - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
    - b. If the dwelling unit is located in an exception area, the PHA will use the appropriate payment standard for the exception area.
    - c. During the HAP contract term, the payment standard for the family is the higher of:
      - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
      - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
    - d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
      - i. Paragraph (c)(i) of this section does not apply; and
      - ii. The new family unit size must be used to determine payment standard.
  - 2. The PHA will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
    - a. The payment standard minus the total tenant payment; or
    - b. The gross rent minus the total tenant payment.
- E. Manufactured Home Space Rental: Section 8 Vouchers
- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
  - 2. The space rent is the sum of the following as determined by the Housing Authority:
    - a. Rent to the owner for the manufactured home space;
    - b. Owner maintenance and management charges for the space; and

- c. Utility allowance for tenant paid utilities.
- 3. The participant pays the rent to owner minus the HAP.
- 4. HAP equals the lesser of:
  - a. The payment standard minus the total tenant payment; or
  - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- 1. The family was receiving assistance on June 19, 1995;
- 2. The family was granted continuation of assistance before November 29, 1996;
- 3. The family's head or spouse has eligible immigration status; and
- 4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family will be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it will last not longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The PHA will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the PHA will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- 1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
- 2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).

3. The prorated tenant rent equals the prorated family share minus the full utility allowance.

### **Utility Allowance**

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole, and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants will review this information at any time by making an appointment with the PHA.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

### **Distribution of Housing Assistance Payment**

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner will charge the PHA a late payment, agreed to in the Contract and in accordance with generally accepted practices in the PHA jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted tenants; and
- B. The owner also charges such penalties against the tenant for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the PHA.

### **Change of Ownership**

The PHA requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the PHA's rent payment or the address as to where the rent payment should be sent.

In addition, the PHA requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. A copy of the written agreement between the new owner and former owner;
- B. Deed of Trust showing the transfer of title; and
- C. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The PHA will withhold the rent payment until the taxpayer identification number is received.

The owner must receive written consent of the PHA prior to assigning a HAP contract to a new owner. The requirements related to owner approvals also apply to changes in ownership.

A change in ownership requires execution of a new lease addendum.

The Housing Assistance Payments Contract will be executed in the format as indicated on the proof of ownership. Ownership by more than one individual will require execution of all parties or appropriate legal documentation such as power of attorney, which designates a single individual to act on behalf of all owners.

Designation of a management agent or other payee will be approved with appropriate legal documentation signed and notarized by all owners of the property.

#### **XIV. INELIGIBLE/ELIGIBLE HOUSING**

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The PHA will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The PHA will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals
- E. House boats
- F. Lease-purchase agreements. A family leasing a unit with assistance under the program will enter into an agreement with an owner to purchase the unit. So long as the family is receiving such rental assistance, all requirements applicable to families otherwise leasing units under the tenant-based program apply. Any homeownership premium (e.g., increment of value attributable to the value of the lease-purchase right or agreement such as an extra monthly payment to accumulate a downpayment or reduce the purchase price) included in the rent to the owner that would result in a higher subsidy amount than would otherwise be paid by the PHA must be absorbed by the family.

In determining whether the rent to owner for a unit subject to a lease-purchase agreement is a reasonable amount in accordance with 24 CFR 982.503, any homeownership premium paid by the family to the owner must be excluded when the PHA determines rent reasonableness.

*Restriction of Immediate Family Members*

The PHA is prohibited from approving a Housing Assistance Contract for a house in which the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the household to be assisted. However, this provision will be waived as a reasonable accommodation for a family member who is a person with a disability, provided that the assisted household has made reasonable efforts to locate other suitable housing and has been unsuccessful.

In cases where the owner and tenant bear the same last name, the PHA will require the family and owner to certify whether they are not related to each other in any way. Failure to disclose relationship will be considered fraud and grounds for termination of tenancy and prohibition of future program participation by the owner.

## XV. OWNER OR FAMILY DEBTS TO THE SECTION 8 PROGRAM

This section describes the PHA's policies for the recovery of monies overpaid to families and owners. In addition, this section outlines the collection methods and guidelines for the handling and collection of different types of debts. The Section 8 Program policy is to communicate program guidelines to owners and families so as to avoid owner and family debts. Before a debt is assessed against a family or owner, the file must contain documentation to support the HA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner; the family or other interested parties.

The PHA will make every effort to collect delinquent family or owner debts. The Section 8 Program will use a variety of collection tools to recover debts including, but not limited to:

- Request for lump sum payments
- Small claim or civil court actions
- Payment agreements
- Termination of family program participation
- Reductions in HAP to owner
- Abatements
- Collection agencies
- Referrals to the PHA's Department of Revenue and Recovery

### PAYMENT AGREEMENT FOR FAMILIES

A payment agreement or repayment agreement, as used in this Plan, is a document entered into between the PHA and a person who owes a debt to the Section 8 Program. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of payment, any special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

If the PHA offers a payment agreement, it will determine the terms. **The PHA will not offer a payment agreement in all circumstances.** The PHA will not enter into a payment agreement for any of the following reasons:

- If the family already has a Payment Agreement in place; or,
- If the HA determines that the family committed program fraud.

The maximum length of time the PHA will enter into a payment agreement with a family is 36 months and the amount never to exceed \$10,000. Any debt of more than \$10,000 will be submitted to the inspector general office for legal action.

### DEBTS OWED FOR CLAIMS

Money owed to the PHA by the family because of overpayments on its behalf will be collected by requiring a lump-sum payment of the entire amount. At its discretion the PHA, through out the

Municipal's Legal Department, will offer a family to enter into a repayment agreement to pay amounts owed to the PHA, and will describe the terms of the agreement. The PHA will maintain full and complete documentation of all debt; as established and notified to the family.

If the Legal Department decides to allow the family a repayment agreement for money that the family owes to the PHA, the family is informed to repay in full within the terms established by the Municipal's Advocate. If the family does not pay, then the case is referred for Legal Action through out the proper procedures through out the pertinent Local/State Court.

#### *Delinquent Payments*

A payment will be considered to be in arrears (amount overdue) if:

- The payment has not been received by the close of the business day on which the payment was due.
- If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's payment agreement is in arrears, and the family has not contacted or made arrangements with the Section 8 Program, the PHA will:

- Require the family to pay the balance in full
- Pursue civil collection of the balance due
- Terminate the housing assistance.

If the family requests a move to another unit and has a payment agreement in place and the payment agreement is not in arrears, the family will be required to pay the balance in full prior to the issuance of a voucher.

If the family requests a move to another unit and is in arrears on a payment agreement for the payment of an owner claim, the family will be required to pay the balance in full, or be terminated from the program.

#### **DEBTS DUE TO MISREPRESENTATIONS / NON-REPORTING OF INFORMATION**

HUD's definition of program fraud and abuse is a single act; or pattern of actions that:

Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Section 8 program funds in violation of Section 8 program requirements.

#### *Family Error/Late Reporting*

Families who owe money to the Section 8 Program due to the family's failure to report increases in income or fail to report any information which will cause an incorrect HAP to be paid to the owner, will be required to repay in accordance with the guidelines in the Payment Agreement section.

### *Program Fraud*

Families who owe money to the HA due to program fraud will be required to repay in accordance with the guidelines in the Payment Agreement of this Section.

If a family owes an amount, which equals or exceeds \$2,500 as a result of program fraud, the case will be referred to the Inspector General. Where appropriate, the HA will refer the case for criminal prosecution.

### **OWNER DEBTS TO THE SECTION 8 PROGRAM**

If the Section 8 Program determines that the owner has retained housing assistance or claim payments the owner is not entitled to, the PHA will reclaim the amounts from future housing assistance or claim payments owed the owner for any units under contract.

If future housing assistance or claim payments are insufficient to reclaim the amounts owed, the HA:

- will require the owner to pay the amount in full within 30 days;
- pursue collections through the local court system; and,
- restrict the owner from future participation.

### **GENERAL GUIDELINESS FOR PAYMENT AGREEMENTS**

Payment agreements will be executed between the PHA's Collection Office and the head of household and/or spouse. Monthly payments will be decreased in cases of family hardship, and if requested with reasonable notice from the family, upon verification of the hardship, and the approval of the program manager.

**Additional Monies Owed:** If the family already has a payment agreement in place and incurs an additional debt to the Section 8 Program:

The PHA will not enter into more than one payment agreement with the family. The family will be allowed 30 days to pay the second debt in full.

### **WRITING OFF DEBTS**

Debts owed to the Section 8 Program from program participants or owners will be reviewed each year jointly with the Section 8 staff and the Finance staff to determine if such debts are valid and collectible. Debts will be written off if:

- The debtor's whereabouts is unknown and the debt is more than 3 years old;
- The debtor's whereabouts are unknown and the debt is more than 3 years old;

- A determination is made that the debtor is judgment proof;
- The debtor is deceased;
- The debtor is confined to an institution indefinitely or for more than 3 years; or,
- The amount is less than \$300.00 and the debtor cannot be located.

## **XVI. RECERTIFICATION**

(See also Section II: *Issuing or Denying Vouchers* and  
Section IV: *Occupancy Policies*)

### **CHANGES IN LEASE OR RENT**

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the PHA a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the PHA of any changes in the amount of the rent at least sixty (60) days before the changes go into effect. Any such changes are subject to the PHA determining them to be reasonable. { § 982.519(b)(6) }

Assistance shall not be continued unless the PHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes (§982.309) are made:

- A. Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances;
- B. Changes in lease provisions governing the term of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

PHA approval of the tenancy and execution of a new HAP contract, are not required for changes in the lease other than those specified in A, B, or C above.

### **ANNUAL REEXAMINATION (§982.516)**

At least annually the PHA will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The PHA will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who will need to make alternate arrangements due to a disability that they will contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon UIV / 3<sup>rd</sup> party verification process completed, the PHA will determine the family's annual income and will calculate their family share.

As part of the re-examination process, tenants must be up to date with the following payments: Any existing payment plan, Family payment, Utilities payments; clear and formal evidence must be provided. In addition, the security payment to a landlord will be made at the contract signature.

#### *Effective Date of Rent Changes for Annual Reexaminations*

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

#### *Missed Appointments*

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the PHA taking action to terminate the family's assistance.

### **INTERIM REEXAMINATIONS (§982.516)**

Program participants are required to report all changes in household composition between annual re-certifications. This includes additions due to birth, adoption and court-awarded custody. Also, if a household member is leaving or has left the family unit and, Family break-up (See Section XI above). The family must obtain HA approval prior for all additions to the household prior to adding that person to the lease agreement.

If any new family member is added, an interim re-certification will be conducted to include any income of the new family member.

If a family reports zero income at the time of the annual re-certification and later obtains an income, an interim re-certification will be conducted. However, if a family has a change in income between annual re-certification, for less than \$100.00, it is not required to be reported and no interim re-certification will be conducted.

Participants will choose to report a decrease in income and other changes, which would reduce the amount of tenant rent, such as an increase in allowances or deductions. If these changes are reported and it will result in a change in tenant rent, an interim re-certification will be completed.

Changes in rent for interim re-certification will become effective the first of the month following the month in which the change was reported. Increase of income over \$100.00 must be notified immediately. If not report immediately, the amount will be collected based on retroactive calculation of amounts overpaid for the family and will cause a termination of contract.

### *Special Reexaminations*

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the PHA will schedule special reexaminations every 60 days until the income stabilizes and an annual income can be determined. Also, at briefings, Section 8 participants agree to report, in writing, and provide certification following any change in annual income as soon as the occurrence appears.

### *Effective Date of Rent Changes Due to Interim or Special Reexaminations*

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increases will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

## **XVII. POLICY ON RESTRICTIONS ON THE NUMBER OF MOVES BY A PARTICIPANT FAMILY [24CFR982.314(C)]**

HUD regulations permit families to move with continued assistance to another unit within the limits of the PHA, or to a unit outside of the PHA jurisdiction under portability procedures. The regulations also allow the PHA the discretion to develop policies to define any limitations or restrictions on moves. This Section describes the procedures for moves within and outside the PHA jurisdiction, and the policies for restrictions and limitations on moves.

### **MOVES WITH CONTINUED ASSISTANCE**

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The Section 8 Program will issue the family a new voucher if the family does not owe the PHA or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a voucher within the last 12 months, and if the Section 8 Program has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

#### ***When A Family May Move***

The Section 8 Program will allow the family to move to a new unit if:

- The Housing Assistance Contract is terminated by the PHA or for the owner's failure to comply with HQS or other terms of the contract;
- The owner has given the family a notice to vacate, or has commenced an action to evict the family through no fault of their own
- A household member is newly diagnosed with a disability, which requires a reasonable accommodation.; or
- The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner).

Prior to issuance of program move documents; the family must present a notice of intent to move form signed by the owner and the family indicating that the family is current with all rent payments, has caused no damages beyond normal wear and tear, and is otherwise in compliance with all terms and conditions of the lease agreement.

#### ***Procedures Regarding Family Moves***

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the PHA Section 8 Program

jurisdiction, will be required to attend a mover's briefing prior to the PHA entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- An explanation that the family share of rent will not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard;
- Portability requirements and opportunities;
- The need to have a reexamination conducted within 120 days prior to the move;
- An explanation and copies of the forms required to initiate and complete the move; and
- All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement will exceed 60 days. During the initial term, families will not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the PHA Section 8 Program approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the PHA a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the PHA will be considered a violation of Family Obligations and will cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the PHA, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures will subject the family to termination from the program.

#### **LOCAL POLICY FOR POLICY FOR MOBILITY AND PORTABILITY FOR THE SECTION 8 HOUSING CHOICE VOUCHER PROGRAM**

The PHA has developed the following policy concerning limitation on adjacent PHA's Voucher moves:

This PHA will not accept, or refer, mobility or portability of Vouchers from, or to, any adjacent PHA's, if the PHA does not have sufficient funding for an increase in assistance.

The Vouchers can be administered and serviced by these PHA's Municipalities without having to assign them to, or receive them from, our PHA.

The PHA's Section 8 Program will administer units as a first option, to those units in the Municipality of Canóvanas, and as a secondary alternative, the PHA will administer units in the municipalities of Bayamón, Dorado and San Juan. The determination taken to establish this policy is based on the fact that the adjacent PHA's are within commuting distance from our PHA. Also, this will expand the inventory of dwelling units outside the poverty and minority areas.

As the lease is signed, the participant must comply with the 12 period month of the lease, unless there is an evidenced/justifiable reason and the owner approves the move in writing.

## **XVIII. PORTABILITY**

**(See also Section XVII: Local Policy statement)**

### ***General Policies***

A family whose head or spouse has a domicile (legal residence) in the jurisdiction of the PHA at the time the family first submits its application for participation in the program to the PHA will lease a unit anywhere in the jurisdiction of the PHA or outside the PHA jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

Families participating in the Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the PHA allow a participant to improperly break a lease. Under extraordinary circumstances the PHA will consider allowing more than one move in a 12-month period.

Families will only move to a jurisdiction where a Section 8 Program is being administered.

For income targeting purposes, the family will count towards the initial housing authority's goals unless the receiving housing authority absorbs the family. If absorbed, the admission will count towards the receiving housing authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the PHA will not issue a voucher and will terminate assistance.

The portability must be requested in written at least three months prior to the ending of the actual lease or before the initial lease is signed. It will be granted in compliance with applicable laws and the availability of funds.

**As established in the 24 CFR 982.314(e)(1), at any time, the PHA may deny permission to move if the PHA does not have sufficient funding for an increase in assistance.** For instance, the PHA has the authority to deny a family's request to move under the portability procedures to a unit in another jurisdiction that would require the PHA to pay a higher subsidy cost for the same family's assistance if the PHA determines that does not have sufficient funding available under their calendar year budget to accommodate such a move and the receiving PHA will not absorb the family into its own program.

### ***Income Eligibility***

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.
- B. If a portable family is already a participant in the Initial Housing Authority's Voucher Program, income eligibility is not re-determined.

***Portability: Administration by Receiving Housing Authority***

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.
- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such housing authority, the Initial Housing Authority will choose which housing authority shall become the Receiving Housing Authority.

***Portability Procedures***

Procedures will follow as established in this Administrative Plan, Notice PIH 2005-1 (HA), Notice PIH 2005-18 (HA) and as any other applicable or prevalence law.

- A. When the PHA is the Initial Housing Authority:
  - 1. The PHA will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
  - 2. The PHA will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).
  - 3. The PHA will advise the family how to contact and request assistance from the Receiving Housing Authority.
  - 4. The PHA will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family.
  - 5. The PHA will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.
- B. When the PHA is the Receiving Housing Authority:
  - 1. When the portable family requests assistance from the PHA, the PHA will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the PHA receives a portable family, the family will be absorbed if funds are available and a voucher will be issued.
  - 2. The PHA will issue a voucher to the family. The term of the PHA's voucher will not

expire before the expiration date of any Initial Housing Authority's voucher. The PHA will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the PHA during the term of the PHA's voucher.

3. The PHA will determine the family unit size for the portable family. The family unit size is determined in accordance with the PHA's subsidy standards.
4. The PHA will within ten (10) calendar days notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
5. If the PHA opts to conduct a new reexamination, the PHA will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.
6. In order to provide tenant-based assistance for portable families, the PHA will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the PHA will make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.
7. The PHA will deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

C. Absorption by the PHA

1. If funding is available under the consolidated ACC for the PHA's Voucher Program when the portable family is received, the PHA will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the PHA's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority will bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
  - a. As the Initial Housing Authority, the PHA will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
  - b. The receiving HA is responsible for billing the initial HA (Municipality of

Canóvanas) for 100% of the Housing Assistance Payment and 80% of the Administrative Fee (at Municipality of Canóvanas's rate) for each "Portability" Voucher leased as of the first day of the month. The initial HA (Municipality of Canóvanas) will not issue payment until an invoice is received by the receiving HA within the time limits established by HUD. Late billings will not be processed for payment and the Receiving HA will be so notified. Payment beyond year one will only continue if the initial HA (Municipality of Canóvanas) receives the HUD-50058 form indicating that an annual re-certification has been completed in accordance with program requirements.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is not longer required to provide assistance for the family.

**XIX. CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE  
FEE RESERVE [24CFR982.155]**

Occasionally, it is necessary for the PHA to spend money from its Section 8 Administrative Fee Reserve to meet unseen or extraordinary expenditures or for its other housing related purposes consistent with State law.

Any charge against the Section 8 Administrative Fee Reserve, must first be authorized by the Mayor, who is the Executive Director.

## XX. INSPECTION POLICIES, HOUSING QUALITY STANDARDS AND DAMAGE CLAIMS

The PHA will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 (Housing Choice Voucher) Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The family must allow the HA to inspect the unit at reasonable times with reasonable notice. Reasonable hours to conduct an inspection are between 8:00 a.m. and 5:00 p.m. The family and owner will be notified of the inspection appointment by first class mail. If the family cannot be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the initial scheduled inspection and fails to reschedule the inspection, the PHA will only schedule one more inspection. In this case (2<sup>nd</sup> appointment) and in emergency and claims inspections, the PHA will also notify the family and owner by telephone. As deem necessary, the notification can be sent by messenger.

If the family misses two inspections, the PHA will consider the family to have violated a Family Obligation and their assistance will be terminated.

### *Types of Inspections*

The following types of inspections will be conducted as required:

- **Annual** - an inspection conducted on a property prior to its re-certification date;
- **Re-inspection** - an inspection of a property which failed its annual inspection;

The PHA will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within not more than 24 hours. For other defects the owner must correct the defect within not more than 30 calendar days (or any PHA approved extension).
4. The owner is not responsible for a breach of the HQS that is not, caused by the owner, and for which the family is responsible. Furthermore, the PHA will terminate assistance to a family because of the HQS breach caused by the family.

**B. Family Responsibility for HQS**

1. The family is responsible for a breach of the HQS that is caused by any of the following:
  - a. The family fails to pay for any utilities that the owner is not required to pay

for, but which are to be paid by the tenant;

- b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
  - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within not more than 24 hours. For other family-caused defects, the family must correct the defect within not more than 30 calendar days (or any PHA approved extension).
  3. If the family has caused a breach of the HQS, the PHA will take prompt and vigorous action to enforce the family obligations. The PHA will terminate assistance for the family in accordance with 24 CFR 982.552.

- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.

- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm<sup>2</sup>), or 0.5 % by weight or 5000 parts per million (PPM).

## 2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978, is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part) must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority will exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.

- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section will be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
  - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
  - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
  - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
  - i. Within the unit;
  - ii. The entrance and hallway providing access to a unit in a multi-unit building; and

- iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the Housing Authority will, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.
- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
  - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
    - (1) More than 10 square feet on an exterior wall;
    - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
    - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
  - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
  - iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots not more than two

square feet in any one interior room or space (hallway, pantry, etc.) or totaling not more than twenty square feet on exterior surfaces.

- iv. During exterior treatment soil and playground equipment must be protected from contamination.
  - v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
  - vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
  - m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
  - n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.
  - o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any

subsequent time.

- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

#### J. Access

##### 1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

#### K. Site and Neighborhood

##### 1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

##### 2. Acceptability Criteria

The site and neighborhood will not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslide; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

#### L. Sanitary Condition

##### 1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

##### 2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

#### M. Smoke Detectors

# 1. Performance Requirements

- a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If any hearing-impaired person occupies the dwelling unit, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).
- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

## ***Exceptions to the HQS Acceptability Criteria***

The PHA will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the PHA has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Owners will be required to scrape peeling paint and repaint all surfaces cited for peeling paint with 2 coats of non-lead paint. An extension will be granted as a severe weather related item as defined below.
- C. Adequate heat shall be considered to be 68 degrees.
- D. In units where the tenant must pay for utilities, each unit must have separate metering

device(s) for measuring utility consumption.

- E. A : " overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

### ***Time Frames and Corrections of HQS Fail Items***

#### **A. Correcting Initial HQS Fail Items**

The PHA will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the PHA to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

#### **B. HQS Fail Items for Units under Contract**

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item) the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the PHA will abate payment and terminate the contract in accordance with HUD requirements and as stated in this Plan.

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the PHA will terminate assistance for the family in accordance with HUD regulations and as stated in this Plan.

#### **C. Time Frames for Corrections**

1. Emergency repair items must be abated within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.

4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the PHA, extensions of up to 30 days will be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 days after the initial inspection date, the PHA will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

***Emergency Fail Items***

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires, which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

***Abatement and Contract Termination***

Failure for a unit under contract to pass a re-inspection will result in abatement of the Housing

Assistance Payment. Abatement means that a daily pro-ration of the Housing Assistance Payment will be deducted from any future payments for each day that the unit is not in compliance with the HQS standards. A notice of abatement will be sent to the owner informing them that abatement will commence effective the first of the month following the date of notification of abatement. The abatement period will not extend beyond 30 days.

If the owner has not made the required repairs during the abatement period, the Housing Assistance Payments contract will be terminated in accordance with the provisions in the contract. The assisted family will be notified of the termination and will be advised to secure program move documents to commence search for a new housing unit. Once a termination notice has been issued, the HAP contract will not be re-instated even if the landlord proceeds to make repairs.

***Determination Of Responsibility for Repairs [24 CFR 982.404, 982.54(d)(14)]***

The following HQS deficiencies are the responsibility of the family:

- Tenant-paid utilities not in service;
- Failure to provide or maintain family-supplied appliances;
- Documented damage to the unit or premises caused by a household member or guest beyond which is obvious as beyond normal wear and tear;
- Placement of large items of trash or inoperable vehicles anywhere on the assisted unit premises;
- Failure to maintain lawn and surrounding areas if a single-family structure; and,
- Vermin Infestation caused by the tenant.

“Normal wear and tear” is defined as items which can be charged against the tenant security deposit under state law or court practice.

All other HQS violations shall be the responsibility of the owner. If the family is responsible for deficiencies but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and the family's file will be noted.

***Consequences If Family Is Responsible [24 CFR 982.404(b)]***

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the HA will require the family to make any repair(s) or corrections within 24 hours for emergency items and 30 days for non-emergency items. If the repair(s) or correction(s) are not made in this time period, the HA will terminate assistance to the family, after providing an opportunity for an informal hearing. The owner's rent will not be abated for items which are the family's responsibility. If the tenant is responsible and corrections are not made, the HAP contract will terminate when assistance is terminated.

The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family will only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the PHA's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority must meet the income limit for the area where they were initially assisted under the program.

6. Income limit restrictions do not apply to families transferring units within the PHA Section 8 Program.

***Citizenship/Eligible Immigrant status***

To be eligible each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

Applicants are entitled to a hearing for denial of placement on the waiting list or denial of assistance if such denial is based on the immigration status criteria described above. Applicants/participants must present adequate documentation that certifies their citizenship or immigration eligibility status. Acceptable documentation include: 214 Certification, Birth Certificate, and U.S. Immigration and Naturalization Service certification.

If there are no family members with citizen or eligible immigration status then the family will be determined ineligible for housing. An ineligible family will be informed in writing of the denial and their right to request an informal hearing.

Section 214 verifications will be accomplished as follows:

- U.S. Citizens or Nationals. Persons claiming status as a U.S. citizen or U.S. national will provide a self-certification in the form prescribed by the agency.
- Eligible Immigrants. Staff will conduct primary verification of eligible immigrant status through the INS automated SAVE (Systematic Verification for Entitlements) system using the instructions provided at HUD Guidebook 7420.10 G (pg. 5-7).

Staff will not delay, deny, or terminate assistance to an applicant or currently assisted household if any one of the following circumstances apply:

- At least one person in the household has submitted appropriate INS documents;
- The documents were submitted to the INS on a timely basis, but the verification process has not been completed;
- The family member in question moves;
- The INS appeals process has not been completed;
- Assistance is pro-rated;
- Deferral of termination of assistance is granted by the agency;
- For a program participant, the informal hearing process is not complete.

Assistance will be denied or terminated when:

- Declaration of citizenship or eligible immigration status is not submitted by the specified deadline or any extension;
- Required documentation is submitted but INS primary and secondary verification does not verify immigration status and family does not pursue INS or HA appeal; or
- Required documentation is submitted but INS primary and secondary verification does not verify immigration status, and INS or HA appeal is pursued but decision(s) are rendered against the family.

### ***Family eligibility for assistance***

1. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family will be eligible for one of three types of assistance (See Section XII for calculating rents under the noncitizen rule and also Section XVI).
3. A family without any eligible members and receiving assistance on June 19, 1995, will be eligible for temporary deferral of termination of assistance.

### ***Social Security Number Documentation***

To be eligible, all family members must disclose and submit documentation (its Social Security card) to the Housing Specialist, to verify their social security numbers (SSNs).

### ***Signing Consent Forms***

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
  - a. A provision authorizing HUD and the PHA to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
  - b. A provision authorizing HUD or the PHA to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;

- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and,
- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

### ***Suitability for tenancy***

The PHA determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The PHA will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the PHA will contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC).

The PHA will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the PHA will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with material standard lease terms or any history of drug trafficking.

### ***Tenant Screening [24 CFR 982.307]***

The PHA will not screen the applicant household for family behavior or suitability of tenancy. At or before the PHA's approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as: [24 CFR 982.307(a)(3)]

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and,
- Compliance with other essential conditions of tenancy.

The PHA will advise and assist families if they feel that the screening criteria applied by an owner violate any basic Fair Housing Rights of the family. The PHA will make referrals to the local Fair Housing Agency and/or the appropriate HUD office.

## XXII. MERGER OF THE CERTIFICATE AND VOUCHER (HCV) PROGRAM

### (Key Words Summarizing the HCV Program)

On October 1, 1999, the Section 8 Certificate and Voucher Program were merged into one Tenant-Based Program called the Section Housing Choice Voucher Program. The new Program has features of the certificate and old voucher programs, plus new requirements. Some regulation changes were effective on that date and other will become effective during the coming years. The merger had to be completed by October 1, 2001. The main changes of the merger, which are described below, were adopted as needed. A summary of the new voucher program follows:

1. **Payment standards.** The subsidy amount is based on a payment standard set by the PHA anywhere among 90% to 110% of FMR. HUD will approve payment standards lower than 90% of FMR and payment standards higher than 110% of FMR. HUD will require PHA payment standard changes because of the incidence of high rent burdens.
2. **Tenant rent.** A family renting a unit below the payment standard pays the highest of 30% of monthly-adjusted income, 10% of monthly income, or the welfare rent. There is no voucher shopping incentive. A family renting a unit above the payment standard pays the highest of 30% of monthly adjusted income, 10% of monthly income, or the welfare rent, plus the amount of rent above the payment standard.
3. **Maximum initial rent burdens.** A family must not pay more than 40% of income for rent when the family first receives the subsidy in a particular unit. (This maximum rent burden requirement is not applicable at reexamination if the family stays in place.)
4. **Income Limits.** Eligibility is limited to:
  - \$ very low-income family
  - \$ low-income family previously assisted under the public housing, Section 23, or Section 8 Programs
  - \$ low-income family that is a non-purchasing tenant of certain homeownership programs
  - \$ low-income tenant displaced from certain Section 221 and 236 projects
  - \$ low-income family that meets PHA-specified eligibility criteria
5. **Optional PHA screening of applicants.** Although the screening and selection of tenants will remain a function of the owner, the PHA also will elect to screen applicants in accordance with any HUD requirements.
6. **Optional PHA disapproval of owners.** The PHA will refuse to enter into new Section 8 HAP contracts with owners who refuse (or have a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the premises by tenants, PHA employees or owner employees, or the residences by neighbors.

7. **Initial Lease Terms.** The PHA will approve an initial lease term of less than 1 year, if a lease of less than 1 year prevails local practices, and the PHA determines that the shorter term will improve housing opportunities for the family.
8. **Lease form and content.** The lease form must be in the standard form used in the locality by the owner. The lease must contain terms that are consistent with State and local law, and that applies generally to unassisted tenants in the same property. The lease will contain the HUD prescribed lease addendum.
9. **Termination of tenancy.** "Violent criminal activity on or near the premises" is added to the statutory termination of tenancy provisions.
10. **HQS.** Units must pass the federally established HQS or substitute local housing codes or codes adopted by PHA's. Substitute local housing codes or codes adopted by PHA's (1) cannot severely restrict housing choice and (2) must meet or exceed the HQS (unless HUD approves a lower standard that does not adversely affect the health or safety of families, and will significantly increase affordable housing access and expand housing opportunities).
11. **15 day initial HQS inspection deadline.** PHA's with 1250 or fewer tenant-based Section 8 units must conduct initial HQS inspections within 15 days of the owner's inspection request. PHA's with more than 1250 tenant-based Section 8 units must conduct initial HQS inspections within a "reasonable period" of the owner's inspection request. The PHA assessment system for tenant-based assistance (currently the Section 8 Management Assessment Program) must incorporate this PHA performance standard.
12. **PHA penalties for late payment of housing assistance to owners.** The housing assistance payment (HAP) contract will provide for PHA penalties for late payment of the housing assistance payment to the owner. Any late payment penalties must be imposed by the owner in accordance with generally accepted practices in the local housing market. For example, an owner could charge the PHA a late fee if the housing assistance payment is not received by the 5th day of the month if it is local practice that tenants are charged a late fee when the rent has not been paid-in-full by the 5th day of each month. A late payment fee must be paid from the PHA's Administrative Fee unless HUD authorizes payment from another source. No late fee will be charged if HUD determines that the late payment is due to factors beyond the control of the PHA (e.g., late receipt of the Section 8 Funds from Treasury).
13. **HQS inspections and rent reasonableness determinations for PHA-owned units.** The local government or another entity approved by HUD must conduct HQS inspections and rent reasonableness determinations for PHA-owned units leased by voucher holders. The PHA must pay any expenses with the performance of such inspections and rent determinations.

14. **Subsidy amounts for manufactured homeowners leasing pads.** The subsidy amount for expenses associated with leasing the pads is revised to mirror the subsidy calculation method for families leasing "regular" units.
15. **Project-based vouchers.** Project-based assistance is authorized for up to 15% of the PHA's certificates and vouchers. The prior exception allowing additional project-based assistance and special HAP contract terms for certain State assisted projects is eliminated.  
  
Initial and any annual rent adjustments are subject to a rent reasonableness determination.
16. **Witness relocation funds.** PHA's that receive witness relocation funds must have procedures for notifying potential recipients of funding availability.
17. **Deed restrictions.** Voucher assistance will not be used in any manner that "abrogates any local deed restriction that applies to any housing consisting of 1 to 4 units". The Fair Housing Act explicitly applies.

## SEMAP INDICATOR #2

### Registro de Casos que Requieren Estudios de Razonabilidad en la Renta

[illegible]

Municipio de Canóvanas  
Programa de Sección

**PROCEDIMIENTO PARA DOCUMENTAR  
RAZONABILIDAD EN LA RENTA DE LAS  
UNIDADES CONTRATADAS**

*Mayo 2008*

## *PROCEDIMIENTO DE OBTENER COMPARABLES*

El Municipio está obligado a llevar a cabo una determinación de Renta Razonable en las siguientes condiciones:

- Antes de entrar en un contrato con un nuevo participante. El Municipio no firmará un contrato de HAP mientras no se haya documentado que la renta que quiere cobrar el dueño de la unidad es razonable;
- Antes de aumentar la renta al inquilino. Antes de que el Municipio pueda aprobar un aumento en la renta se debe determinar y documentar si la renta propuesta es razonable comparada con unidades similares en el mercado y que no es más alta que las rentas pagadas por los inquilinos que no reciben asistencia y viven en el área;
- Si se da una disminución del cinco por ciento en el FMR publicado;
- Cuando HUD lo solicita

### PASOS:

1. Se dividirá el Municipio en sectores donde las viviendas compartan las mismas características.
2. Se visitarán unidades de vivienda en cada sector para recoger información sobre las unidades y la renta solicitada por los dueños de acuerdo a las características del mercado local.
3. Se recopilará información para al menos 3 unidades por cada tamaño de unidad (0br, 1br, 2br, 3br, 4br). En caso de unidades más grandes, el análisis de razonabilidad se llevará a cabo al momento de contratar la unidad.
4. Se llenarán al menos (15) formularios de comparables por cada sector (tres correspondiente a cada tamaño de unidad).
5. Se guardarán dichos formularios, para que el inspector los utilice de referencia. Es responsabilidad del Municipio colocar copia del formulario de comparables en el expediente del participante.
6. La identificación de las comparables se deberá llevar a cabo una vez al año.

### Referencia:

Notice 2003-12 (HA)

### Manejo de Formularios:

1. Una vez completado el formulario, el mismo debe ser guardado en una carpeta, en donde se archivarán por año, sector, mes y número de cuartos.
2. Cada vez que el Inspector necesite una de las comparables, deberá fotocopiar el formulario, archivar el original en la carpeta original y con la copia documentará el expediente para el cual se necesitan las comparables. Este paso se debe realizar al momento, no pueden haber formularios originales fuera de la carpeta y del archivo, por ningún motivo.

Certificación: Al firmar el formulario y cada comentario, el Inspector certifica que se siguieron los procedimientos necesarios para recopilar la información aquí descrita y documentar el expediente con las gestiones realizadas por su parte. Certifica además, que no hay ningún interés personal en el caso, solo el de realizar cabalmente sus funciones y cumplir con las leyes de igualdad de derechos y de confidencialidad.

*PROCEDIMIENTO DE CUMPLIMIENTO CON INDICADOR DEL SEMAP  
DE RAZONABILIDAD EN LA RENTA*

El Indicador 2 de SEMAP, Renta Razonable, mide si el Municipio tiene e implementa un método razonable y por escrito para determinar y documentar las rentas de las unidades contratadas.

En el año fiscal, el Municipio debe escoger una muestra al azar una muestra de expedientes de los participantes para así documentar con pruebas que el Municipio ha seguido los procedimientos y que cada una de las rentas pagadas a los propietario son razonables.

Para este indicador se seleccionará una muestra del total de participantes activos en el programa.

### **Selección de la Muestra (Participantes del Programa)**

Seleccionar una muestra tomando en consideración el total de familias participantes en el programa y de acuerdo a la siguiente tabla:

<b>Universo</b>	<b>Número Mínimo de expedientes en la muestra</b>
50 o menos	5
51-600	5 más 1 por cada 50 (o parte de 50) por encima de 50
601-2000	16 más 1 por cada 100 (o parte de 100) por encima de 600
sobre 2000	30 más 1 por cada 200(o parte de 200) por encima de 2000

EJEMPLO: Si se tienen 1,272 familias participantes en el programa

- Verificar la tabla de numero de unidades para selección de muestra;
- Según la tabla para 1,272 admisiones hay que escoger una muestra de 23 casos.

### **¿Que se va a verificar?**

Se va a verificar que en los casos seleccionados para evaluación el mismo tenga evidencia de que se llevo a cabo un análisis de rentas comparables de acuerdo al procedimiento establecido por el Municipio.

Específicamente se va a verificar lo siguiente:

- Que originó que se llevara a cabo la comparable (cambio de unidad, aumento o reducción en FMR);
- Quien fue el inspector que llevo a cabo la inspección y preparó la comparable;
- Fecha de inspección;
- Si existe copia de la comparable en el expediente;
- Si el resultado de la comparable fue favorable;
  - Que la renta de la unidad contrata sea igual o menor a las comparables
